1. Prof. (Dr.) Keshab Bhattacharyya, Professor, Dept. of Electrical Engineering, Jadavpur University, Kolkata, WB

The key points of discussion along with the resolutions are as described below:

Sl. No.	Agenda No.	Resolution	Action Taken Report
1.	**Departmental Funds/Budget**	It was discussed that the departmental budget has not been utilized satisfactorily. Necessary measures have been initiated to ensure better and effective utilization of funds.	The issue was taken as an agenda in weekly HoD meetings and guidelines were given to all regarding the Utilizations and how to work for utilization of the budget.

06/05/2026

2.	**Student Counselling**	It was reported that the student counselling process is being carried out regularly	As a part of process student counselling is a part of process at various levels during the academic session at regular intervals and is carried out
3.	**Foreign Collaboration**	The Board observed that foreign collaboration is a long-term process. All members were advised to make sincere efforts toward developing such collaborations.	Some of the universities in UK, (York University/ Manchester City University) were contacted and proposal has been sent for the Collaboration. All HoDs are also informed to connect to various universities for International collaborations.
4.	**Major/Minor Proposals**	It was informed that the proposals for Major and Minor courses have been finalized and have been passed in all statutory bodies of Institute. The information of which has also been sent to University for information.	The Major/Minor proposals has been passed through all the statutory bodies and the letter has been sent to University for information.
5.	**Dual Degree Courses**	The proposal regarding Dual Degree courses is under process and has not yet been implemented.	At present the Dual Degree has been withheld till we are completing the process of Major/ Minors. Once matured the discussion is planned for Dual Degree.
6.	**IPR Cell**	It was reported that the Intellectual Property Rights (IPR) Cell has been constituted and is functioning effectively. IPR cell is a part of Institute Innovation Council (IIC) of Institute, which has a detailed implementation programme as per schedule. The members suggested that the number of patents should be increased.	IPR cell has been established under Institute Innovation Cell (IIC) of Institute and conducted various programmes schedules under the timetable of IIC activities.
7.	**Remedial Classes**	It was informed that faculty members are conducting remedial classes for the benefit of students	Some extra lectures as per the requirements from the students are being conducted for the first year students as a part of remedial classed as per demand and requirement.

01/05/2026

8	**Suggestions**	(a) The Board of Governors (BOG) suggested organizing a conference on **Industry 4.0**, focusing on the technological advancements and industrial transformation associated with the Fourth Industrial Revolution since the year 2000. (b) It was resolved that eligible students — where eligibility will be determined on the basis of attendance — shall provide feedback on the teaching-learning process of the concerned faculty members after the end of the session. (c) It was decided that senior faculty members of the college will conduct Mock Interviews, HR Tests, and other activities related to placement preparation (d) It was suggested that present placement status of the students passed out in the last academic year shall be maintained and made available both in the Training & Placement (T&P) Cell and in the respective departments.	Each department will be hosting the International Conference, and one of the department Mechanical/Electrical will be pitching for the conference on Industry 4.0. Feedback from the students are conducted as per the requirement and rules required for IQAC. Senior faculties are invited to serve as an expert for the mock interviews for preparation of the students. Even private parties are engaged for the services on paid basis for the training and placement activities

The meeting ends with thanks to the Chair.
