

## **TREE PLANTATION ON “WORLD ENVIRONMENT DAY”**

**Organised by  
NSS, Dr B.C. Roy Engineering College, Durgapur**

**on  
5<sup>th</sup> June, 2021**

The annual activity of tree plantation is observed with a lot of zeal. However, the covid-19 pandemic induced lockdown meant that a large scale gathering in college was ruled out. To work around this challenge, a virtual tree plantation drive was organised. The World Environment Day on 5 June 2021 was selected as the appropriate date.

Students dressed in college uniform planted trees in their area of stay following all covid safety measures and submitted the photograph/ short video of said activity via a link provided by the NSS wing of the college. An overwhelming 268 responses were received.

Selected photographs/ videos were uploaded on the college social media page.
