On
Vaccination drive on covid-19 : pros and cons
Resource person:
Dr. ParthaPal , Chief Medical Superintendent, Mission Hospital
3rd March, 2021 ; 03:00 pm IST

The webinar was organized as part of the initiatives of the college to overcome vaccine hesitancy and remove myths regarding vaccination. The NSS cell of Dr. B.C. Roy Engineering College, Durgapur was privileged to organize the webinar titled “Vaccination drive on covid-19 : pros and cons” on 3rd March, 2021 from 03:00 pm.

Dr. ParthaPal , Chief Medical Superintendent, Mission Hospital was our guest speaker. The introduction of the speaker and overall coordination of the event was done by Prof. Sohini Ghosh.

Dr. Pal spoke on how essential the vaccine is for fighting against the pandemic. He also talked about possible side effects and how that should not be a deterrent for taking the shot. He also highlighted the groups that should take the vaccine on a priority basis and the very small section who should avoid it. This was followed by a lively and enthusiastically participated question and answer session that was conducted by Prof. Priyanka Roy. The webinar ended with a vote of thanks from Prof. Sukalpa Dey.

The webinar was held over google meet and was live streamed on the official youtube channel of our college. The audience comprised of students from various professional courses offered by the institute. A total of 541 students participated. Attendance was registered over responses to feedback forms sent to registered students.
