Dr. Poulami Mukherjee Tewari
HOD

Dr. B. C. Engineering College, Durgapur

Department of Computer Science and Design

Minutes of Meeting

Ref. CSD/DAC/05 **Date: 11/08/2026**

A DAC meeting is held on 11/08/2026 at 3P.M in the HOD room to examine and review the action taken report based on the input from the students for the academic year 2025-2026 regarding the academics and the facilities. 120 first-year, second year , third year and fourth year CSD students in total have provided input, and the following observations are made:

Action taken report based upon the feedback on the Academics for AY 2025-2026

A significant percentage of students reported that syllabus coverage exceeded 80%.Most students indicated that teachers were well prepared and organized for classes. Overall feedback suggests that the teaching learning process in the department is satisfactory and effective. On the basis of feedback taken, it is proposed that faculty members will mentor students on regular basis to support students academically and personally. It is also decided that Workshops and training programs will be organized to enhance communication skills and interview preparation of students. It is also proposed seminars, industry interaction, hackathons and technical events will be arranged to enhance practical exposure of students. Students will be encouraged to prepare themselves for competitive examinations as GATE,CAT and GRE.
