Dear Sir,

We are happy to inform you that R&D Cell, BCREC, and CSE(Data Science), in collaboration with the National Centre for Management of Agricultural Extension (MANAGE), Hyderabad, Ministry of Agriculture & Farmers Welfare, Government of India, will organise an invited talk on June 6th, 2024, from 3 to 4 pm at Albert Einstein Hall.

Mr. Saurabh Kumar, Business Executive, Centre for Innovation & Agripreneurship, MANAGE, Govt. of India, Hyderabad, will discuss on different project grants (under Ministry of Agriculture) and start-up ideas for students and faculty members through his talk titled: *Promoting Agri Startups: Programs and Experiences from MANAGE-CIA*. This presents an excellent opportunity for our faculties and staff members to engage with him. As Mr. Saurabh Kumar is directly connected with the Ministry of Agriculture, this session can also serve as a platform to explore potential project opportunities.

Viewing the above, I would like to request that you encourage the faculty, staff, and interested students of your department to attend the session. Kindly advise your Departmental research coordinators to send a complete list of participant names for the said event to the Principal Office by 04/06/2024.

The nominated faculties, staff and students need to register themselves at the link <https://forms.gle/CX6x9J9cBdjUFcH6>

Regards

K.M.Hossain
