Webinar on Augmented Reality and Virtual Reality (AR-VR)

In this Seminar we get to know what are :

- What is AR-VR.
- Applications of AR-VR.
- Required technologies for AR-VR.
- Advantage and Disadvantage.
- AR vs VR.
- Implementation Framework.
- How to choose Your future IT career Path.

Augmented Reality and Virtual Reality :

Augmented Reality and Virtual Reality is now one of the trending technologies in the field of IT sector. This technologies produces high opportunity for the students of Computer Science. But to work on IT sector theoretical and practical knowledge of these technologies is very important in the course duration. Also need hands-on experience which can only come by practical sessions and going through real life demo projects in workshops.

So, from the department of CSD we have arranged a free workshop for the students of CSE, CSD, CSE(AIML), EE, and ECE. The motto of this workshop was to provide required knowledge on Augmented Reality, Virtual Reality, Environment Setup for Virtual Reality, Concept of real-world setting , and different working platforms for the same. After completing this workshop students can continue his/her project on this field.

After successfully completion student was awarded by participation certificate.

Dr. B.C. Roy Engineering College, Durgapur

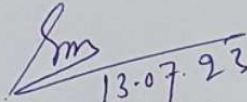

Department of Computer Science & Design

NOTICE

Date: 13/07/2023

This is to inform all the **CSD 3rd and 5th Sem** students that a 2 days online webinar has been organized on Augmented Reality and Virtual Reality on 20th and 21th July 2023. The first session will be on **Thursday at 11.30 a.m and 2nd session on Friday at 2.30 p.m.** The more details regarding this is on Information Brochure which is shared on your whatsapp group and also present in the departmental notice board. Students can participate in this webinar from the SF 02 room of the CSE department.

All of you are instructed to appear in the webinar positively.

Swadhin Kumar Mondal
Webinar/Seminar Coordinator, CSD
