

DR. B.C. ROY ENGINEERING COLLEGE, DURGAPUR
DEPARTMENT OF CIVIL ENGINEERING

16-Apr-2024

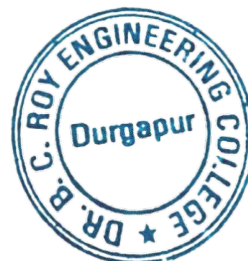

NOTICE

All of the second year students (2022-2026 Batch) are informed that there will be a seminar on “**The Importance of Geology in the Field of Civil Engineering**” on the 18th April 2024. The students are advised to contact Dr. Arijit Kumar Banerji, Mr. Soumyadip Das for more details. Anindita Sengupta and Ajitesh Bhattacharjee will also be there while conducting the program.

Dr. Sanjay Sengupta
Professor & HoD,

Dr. B. C. Roy Engg. College Durgapur

Importance of Geology in the Field of Civil Engineering

18th April 2024 (Friday)

Expert- Dr. Sudipto Banerjee,
Assistant Professor, Department of Geology,
Jagannath Kishore College, Purulia

Digital Classroom, APC Roy Bhawan,
Department of Civil Engineering

10:30 am Onwards

Contact: Dr. Arijit Kumar Banerji (9647509396) and
Soumyadip Das (7908017716)

Dr. B. C. Roy Engineering College Durgapur
Department of Civil Engineering

Schedule for the Seminar on “Importance of Geology in the Field of Civil Engineering”

10:30 AM – 10:45 AM: Opening Address by HoD, Department of Civil Engineering,
BCREC

10:45 AM – 10:50 AM: Introduction of the Speaker

10:50 AM – 12:20 PM: General Discussion on the topic

12:20 PM – 12:30 PM: Question & Answer Session

12:30 PM: Vote of Thanks by Dr. Arijit Kumar Banerji

Dr. B. C. Roy Engineering College Durgapur

Department of Civil Engineering

Seminar on the Importance of Geology in the Field of Civil Engineering

Date: 18 April 2024

Venue: Digital Classroom, Department of Civil Engineering

Organizer: Department of Civil Engineering, BCREC

Introduction: The seminar on "**Importance of Geology in the Field of Civil Engineering**" was held on 18 April 2024 at Digital Classroom, Department of Civil Engineering, Dr. B. C. Roy Engineering College, Durgapur. Organized by the Department of Civil Engineering, BCREC. The event aimed to provide the students of civil engineering with insights into the importance of understanding the fundamentals in the field of civil engineering.

Key Topics Covered: Dr. Sudipto Banerjee, Assistant Professor, JK College, Purulia visited our institute as the resource person. The seminar covered a wide range of topics related to civil engineering software applications, with a focus on their practical implementation and benefits in the industry. Some of the key topics covered during the event were:

Keynote Speakers: Dr. Sudipto Banerjee, Assistant Professor, JK College Purulia is a very experienced person in the field of Geology. He has been associated with JK College since 2019. Before that, He was associated with various colleges like Dr. B. C. Roy Engineering College Durgapur, NSHM Knowledge Campus Durgapur, Asansol Engineering College, and Hooghly Mohsin College. He also has expertise in the consultancy works related to Geology.

Audience Engagement: The seminar attracted students of 2nd year students. During the interactive sessions, attendees actively engaged with the speakers, asking insightful questions and seeking clarifications on specific applications of Geology in Civil Engineering and implementation challenges.

Conclusion: The "**Importance of Geology in the Field of Civil Engineering**" seminar offered a comprehensive overview of the latest geology applications transforming the civil engineering landscape. The event emphasized the importance of embracing technological advancements to streamline design, construction, and management processes in civil engineering projects.

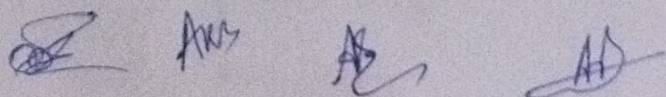

Participants left the seminar equipped with practical knowledge which would make their work more efficient, cost-effective, and sustainable.

Acknowledgments: We extend our sincere appreciation to Dr. Sudipto Banerjee, and all attendees for their valuable contributions to the success of the seminar. Their collective efforts made this event an enriching and informative experience for all participants
