

National Seminar on Space Research and Development: ‘Improving Quality of Life & Space Education in India ‘

Venue: DM Hall, DR.B.C.ROY ENGINEERING COLLEGE

January 29-30, 2024

The National Seminar on Space Research and Development: ‘Improving Quality of Life & Space Education in India ‘ was inaugurated at Dulal Mitra Auditorium at Dr.B.C.Roy Engineering College premises.

The event began with a lamp-lighting ceremony where the Group Director of IIRS, Dehradun (ISRO) , Dr.Debasis Mitra along with Dr.A.K.Ashraff , Deputy Director , Liquid Propulsion Systems Center (LPSC), Trivandram ; Mr.Sastibrata Kabiraj , Secretary, Viswagandha Foundation (Durgapur Viswagandha Science Society) ; Prof(Dr.) Sanjay S.Pawar , Principal , BCREC ; Shri. Tarun Bhattacharya , General Secretary , BCREC Society ; Prof.(Dr.)Saikat Maitra , Advisor and Dr.Saurav Ranjan Das , Head , Basic Science & Humanities Department, BCREC lit the traditional lamp.

The seminar was being organised by The Department of Basic Sciences (BCREC-BSH), Dr.B.C.Roy Engineering College along with Indian Space Research Organisation (ISRO), LPSC in coordination with Viswagandha Foundation (Durgapur Viswagandha Science Society).

The objective of this two-day seminar is to deliberate on the vision and direction about the importance of space science in India and encourage Engineering Students to pursue career in India's Space Sector and facilitate arriving at coherent framework, where in India's Space Sector can start expanding the domestic and global opportunities through enhanced partnerships and collaborations. The seminar is aimed to highlight the achievements and major milestones of Indian Space Sector in recent past, and the future programs and plans.

While giving his inaugural address, the Deputy Director, Indian Space Research Organisation (ISRO) - Liquid Propulsion Systems Center (LPSC), Dr.A.K.Ashraff said that Innovations are shaping the Space Industry and the endeavour should be to provide access of advantages of space to common people. He said that technological innovations have undergone a giant leap with the passage of time. He mentioned Hyder Ali and Tipu Sultan in the late 17th Centuries created as the “Worlds First Rocket”. It was used by the then Mysore army against the British rule. The Space Age began from the launch of Sputnik -1 by USSR, way back in October, 1957. The Department Of Science started the ISRO for the purpose of Science, later progressed towards Satellite development followed by missile development under DRDO. Dr.Vikram A.Sarabhai is known as The Father Of Indian Space Research initiatives in our country. By way of Powerpoint Presentation, Dr.A.K.Ashraff brought it upto Chandrayan-III and made each of the audience absolutely spellbound.

Speaking on the occasion, Dr.Debashis Mitra , Group Director, Marine & Atmosphere Sciences Group, Indian Institute Of Remote Sensing , Dehradun , dwelt upon the “Application of Remote Sensing “.He emphasized that the value addition in the space sector is multi-faceted in its approach with collaborative models of development. The entire audience was enlightened by his presentation that emphasized on the use of technology and human talent.

Prof(Dr.)Sanjay Pawar , Shri.Tarun Bhattacharya, General Secretary , Advisor of BCREC Society Prof. Dr Saikat Maitra felicitated Shri.S.Kabiraj , Viswagandha Foundation (Durgapur Viswagandha Science Society) and the Hon'ble speakers with Memento & Flower Bouquets.

Dr. Sanjay Pawar, Principal BCREC said that the approach of the students should be such that “The Sky should not be the Limit” and push themselves to achieve better career opportunities. He further said that the development and progress of the country is directly dependent on the strides made in the sector of space growth.

On the Second Day of the programme that is on 30th January, 2024 two eminent speakers were felicitated by Principal BCREC Dr. Sanjay Pawar, and HOD Basic Sc Dr Saurav Ranjan Das.

Dr.Devendra Bisht , Scientist –C, Optical Astronomy Department, Indian Center of Space Physics, Kolkata deliberated upon, “ Formation and Evolution of Stars in the Universe” and made the audience rapt in attention by narration of the story of Black Hole and The Big Bang Theory while discussing on the topic,

The Seminar will help in gaining the latest insight on the key thrust areas of Indian Space sector, provide access to latest current and future outlook of space sector, provide first hand information on the latest developments, technologies and innovations in the space sector, help discussing innovations and developments in the space sector .

Dr.Sourav Palit , Asst Professor-II , Ionosphere and Space Science Dept. and Department of X-Ray Astronomy , Indian Center for Space Physics , Kolkata delivered an intense discussion on “ Interaction of High Energy Space Transients with Earth's Atmosphere” The complex subjects of Space Physics was simplified and easily understandable by both the speakers.

The valedictory session of the Seminar was rendered by Prof(Dr.)Saurav Ranjan Das , Head , Basic Science & Humanities Department, BCREC and student volunteers and his team did a wonderful team effort to make this event successful.

NOTICE

A National Seminar will be held on 29-30 January 2024 titled “Space R&D - Improving Quality of Life and Science Education in India, Venue: DM Hall, Dr. B.C.ROY ENGINEERING COLLEGE organised by Department of Basic Science and Humanities and sponsored by Viswagandha Science Society, Durgapur. All B.Tech students of Dr. B.C.Roy Engineering College are invited to do the registration for the Event. The registration is started on 10th Jan’24 and will be closed by 20th Jan’24. Four eminent scientists from ISRO (Indian Space Research Organisation) and ICSP (Indian Centre for Space Physics, Kolkata) will present the seminar series. There is no registration fees for the seminar and students can use the participation certificate for their MAR points. Any faculty member want to get participation certificate also need to do the registration.

INVITATION

It is of course a great pleasure to announce that we are going to organize a Two-day National Seminar on "Space R&D - Improving Quality of Life and Science Education in India" at Dr B C Roy Engineering College Durgapur on January 29-30, 2024. This is a national importance with a strong emphasis on outstanding engineering feat of ISRO and our space scientists demonstrated Indian space technology and ability to launch Chandrayaan-3 with launch vehicle LMV3 M4 and Aditya L1 with PSLV-C57 built by ISRO". ISRO is creating a vibrant Indian Space Industry and generating a large number of skilled jobs. This is first of its kind in this region.

INTRODUCTION

The outstanding success of ISRO's Chandrayaan-3 and Aditya L1 Mission won worldwide acclamation. Scientists and scientific ideas have played an important role in shaping our country. Enriched knowledge of ISRO's scientists and engineers in space science and technology continuously improving the quality of life and space science education in the country. The deeper understanding of ISRO scientists in space science and technology brings smiles to the faces of millions. Command admiration, respect and affection of people because they are very simple, humble with courage of convictions and believe in dignity and importance.

To celebrate this great achievement in space science we are going to organise a Two-Day National Seminar on "Space R & D - Improving Quality of Life and Science Education in India" to be held at Srijani Auditorium, Durgapur, WB during January 12-13/19-20, 2024.

Scientific Programme:-

Scientific Program:-

- (i) Chandrayaan -3 Mission – A Great Pride of India.
- (iii) Human Space Flight Program of ISRO
- (iv) Mysteries of Sun Through Aditya L1 - first Indian mission to study the Sun"
- (v) DRDO -Technologies and their Relevance to India.
- (vi) Aviation Technology-Current Scenario
- (vii) Indian Remote Sensing Program - Past, Present & Future
- (viii) Artificial Intelligence (AI) and Machine Learning (ML) for Remote Sensing.

- (ix) Indian Space Program: 'Trends and Opportunities for Industry'
- (x) Satellite & Launch Vehicles Technology.
- (xi) Research on Space Physics – Indian Perspective.
- (xii) Launching Satellite into low Earth Orbit, Polar Orbit and Geostationary Transfer Orbit.
- (xiii) Liquid Propulsion for Launch Vehicle and Spacecraft Programs.
- (xiv) Design, Development, Production of Electro-Optic Sensors & Camera for Satellites & Launch Vehicles.
- (xv) "Advances in Solid Propellant Systems"
- (xvi) Advances in Mechanisms for Robotics and Unmanned Vehicles.
- (xvii) Satellite Payloads and Related Technologies
- (xviii) Earth Observation Satellites and Applications
- (xix) Multidisciplinary Design, Analysis and Optimization

SPEAKERS ON DIFFERENT TOPICS

Speakers are reputed scientists and engineers from ISRO

About the Venue

Dr. B.C. Roy Engineering College, Durgapur, is dedicated to the memory of Dr. Bidhan Chandra Roy, the architect of modern West Bengal and BCREC management is deeply committed to gradually build the college as one of the best seats of Engineering and Management Education in Eastern India with domestic and global requirements in view.

Since inception, BCREC has created one of the finest infrastructures and fortunate enough to attract the best possible faculty and generating top quality Engineering professionals and managers year after year is, indeed, a true service to the nation.

ROLE OF DURGAPUR VISWAGANDHA SCIENCE SOCIETY:-

Durgapur Viswagandha Science Society (DVSS), Durgapur is a Non – Profit Scientific NGO was established in the Year of 1990. It is now forerunner and pioneering scientific organization in this region working in the area of promoting and advancing S&T and their applications to the problems of national importance. Its mandate is to stimulate interest, encourage invention and research in pursuit of excellence in the field of S&T and disseminating scientific knowledge to the community through its activities by organizing meetings, discussions, seminars, symposiums and publications.
