Dear Students

Soumya K. Dhanu

Head
ment Studies

You are aware that FMS is organizing a **National Symposium on Addressing Sustainability in the VUCA world** as per details below:

Date: Friday, 1st March 2024

Time: 10am onward

Venue: Albert Einstein Seminar Hall

A galaxy of experts on Sustainability will speak on the main and sub-themes of the Symposium. The event will also see a moderated *Panel Discussion* with the experts as Panelists. Dr Anupam Khan, Divisional Forest Officer, Durgapur has kindly consented to grace the occasion as the Chief Guest.

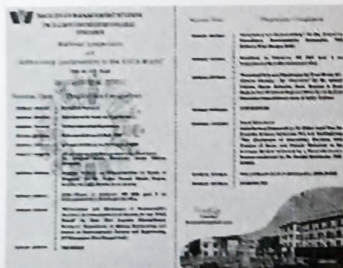

The event will be an excellent value addition for students with regard to the ever-widening scope of the Sustainability subject in the VUCA (Volatility, Uncertainty, Complexity, Ambiguity) environment that we find ourselves in.

Advise all of you to attend the event after registering yourself. All registered attendees will receive e-certificates.

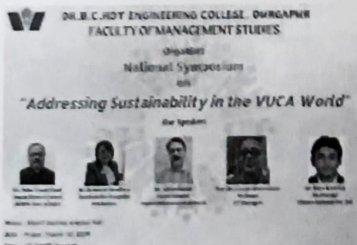

Best regards

Dr Somroop Siddhanta

Activity Name: Symposium on "Addressing Sustainability in the VUCA World"

Venue: Albert Einstein Seminar Hall.

Date & Time: 1st March, 2024 from 10:00 AM.

Number of Participants: 141 students as well as 31 faculty & staff from inside and outside BCREC attended.

BANNER

The Faculty of Management Studies (FMS), Dr. B. C. Roy Engineering College (BCREC), Durgapur organized a National Symposium titled "Addressing Sustainability in the VUCA World", hosting a veritable galaxy of luminaries from the Government, academia and industry to address the most pressing issues pertaining to the UN Sustainable Development Goals (SDG) at the Albert Einstein Seminar Hall, BCRC on Friday, the 1st of March, 2024. Given the global significance of the date of the event, gentle cameo sideshows on non-discrimination (UN SDG Goal 05) were also held at the venue. The masterfully managed event was live-streamed on social media and the schedule was duly punctuated with breaks for lunch and refreshments.

The proceedings were flagged off with a melodious Saraswati Vandana rendered expertly by MBA final semester virtuosos, followed by felicitation of the dignitaries and addresses by the Principal, BCRC, Prof. (Dr.) Sanjay S. Pawar and the HOD, FMS, Prof. (Dr.) Somroop Siddhanta. The Chief Guest, Dr. Anupam Khan, WBFS (2012), Divisional Forest Officer, Durgapur Division, delivered the Sustainability Prolegomenon to mark the tone and tenor of the proceedings. Dr. Onkar Prasad Ghosh, DDG, Ministry of Statistics and Programme

Implementation (MoSPI), GoI delivered the keynote address on "Sustainability in Terms of Numbers". Dr. Jayanta Bhattacharya, Professor at the Department of Mining Engineering and the School of Environmental Science and Engineering, IIT Kharagpur enlightened the audience with his presentation on the "Dichotomies and Challenges of Sustainability Practices in Consumption-led Growth for the VUCA World". Ms. Sudeshna Choudhury, Sustainability Evangelist, TCS, Kolkata, provided the industry perspective on "Innovation for Sustainability". Dr. Abhijit Pathak, Sr. Scientist, Government Analyst and Head, Laboratory Division, Regional Directorate, Central Pollution Control Board (CPCB), Kolkata provided a profound overview of the "Sustainability and Challenges for Food-Water-Air-Climate Changes".

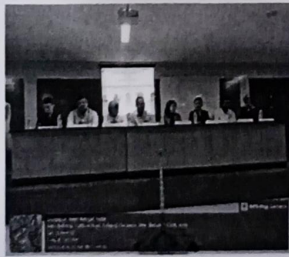

The session post-lunch witnessed a luminous exchange of ideas on the central symposiac theme by the stellar cast of invitees in a panel discussion moderated by Dr. Sandip Mukherjee, FMS. The session was flagged off with profoundly enlightening introductory comments by Dr. Bidus Kanti Das, Co-founder, Zelence Industries Pvt. Ltd. on the "Challenges of Sustaining Business with Products of Green and Natural Materials in the Farming Market".

The valediction was conducted by Symposium Convener Dr. Bhaswati Roy, FMS. The event was attended by prominent academic and corporate invitees and dignitaries from NIT, Durgapur, Durgapur Government College, Paramedical College, Durgapur, Womens' College, Durgapur, Birla Corp. Ltd., Durgapur and SAIL, DSP, Durgapur. Faculty and student registrants pursuing undergraduate and postgraduate courses and research scholars from prominent institutions as afar as MAKAUT, Haringhata (WB), RICIS Institute, Raniganj, many of the above named institutions, the various departments of BCREC and BCREC APC attended the event demonstrating due affinity for the symposiac theme and the inspiring, cerebral deliberations, making the event, organized painstakingly by FMS faculty members and MBA students, a resounding success in all its aspects.

Speakers' Profile:

Mr. Onkar Prasad Ghosh, is an Indian Statistical Service officer of 1999 batch. He did BSc, MSc, MPhil in Computer Application of statistics from Calcutta University and Masters in Population Science from International Institute of Population Science. He started his career as a Biostatistician in Cancer Research in Chittranjan National Cancer Institute before joining Civil Services. During his long tenure of 25 years Mr. Ghosh worked in Ministry of Commerce, Ministry of Heavy Industries and Public Sector Enterprises, etc. His longest stay was in Survey Design and Research Division (11 years in different capacities) in NSO. He was the DDG in-charge of looking after the SDG indicators as per UN definition. Mr. Ghosh represented India in many International forums like United Nation, Economic & Social Commission for Asia and the Pacific, Food & Agriculture Organization, United Nation Children's Fund, International Labour Organization, BRICS, etc. He was a member of 3-member expert committee appointed by Honorable Supreme Court to recommend the sample checking system of EVM's for general elections in India. Election Commission uses that method till date.

Dr. Jayanta Bhattacharya is a professor in the Department of Mining Engineering at the Indian Institute of Technology, Kharagpur, India. He was also the Head of School of Environmental Science and Engineering in the same institute. He was also a Visiting Professor to Curtin University, Australia. Prof. Bhattacharya is a renowned scientist in the area of environmental technology and management. He is also an expert in the area of environmental clearance, land acquisition, rehabilitation and resettlement of people. He is an authority in the rules and regulations related to environmental and forest clearance of project. He works as a consultant to a number of organizations on pollution and environmental governance matter. He has more than 150 papers in various national and international journals. His books & publication can be seen in Wide Educational Product and services website.

Ms. Sudeshna Choudhary is a Sustainability Evangelist. She is very passionate about Data for Good and Sustainability solution and is keen on networking and collaborating across industries and academic institutions. She is the IEEE India Council Vice Chair for Women in Engineering (WIE). IEEE, Kolkata Section. She is the first Chapter Lead in India for Women in Data and Asia Region Head for the same. Now I will request to share her valuable insights.

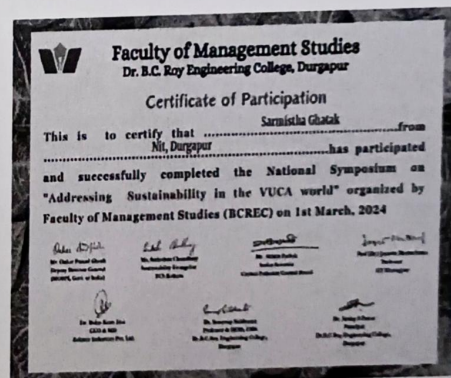

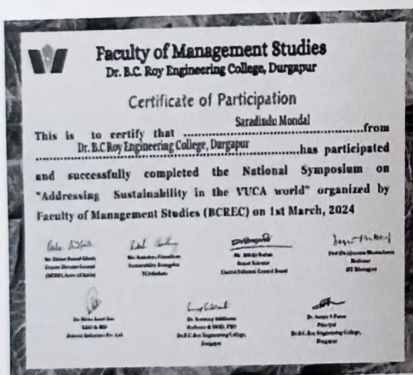

Mr. Abhijit Pathak, Environment Professional having more than 35 years' experience in Laboratory analysis, Laboratory Management, Method Validation, New Method Development, Human resource development through technical Training on various environmental field like instrumentation and air quality management. Presently employed in Central Pollution Control Board, the apex regulatory authority in India as Senior Scientist. Experienced in Environmental Impact Assessment, Industrial pollution control. Trained abroad in Canada, Germany, Austria and Japan he also worked in collaborative project with Finland, Germany, UK in the field odor, hazardous wastes & emission, air and water quality management and Faculty under Male declaration for southeast Asian countries (United Nation Environment Programme). Author of various air quality monitoring protocols including guideline on OCEMS for India.
