March 22nd, 2024

Title : Seminar Summary Report on “Tribology”

Resource Persons:

1. Dr. Suman Kalyan Das

Associate Professor
Department of Mechanical Engineering
Jadavpur University.

Topic: Exploring Green Tribology: Enhancing Sustainability in Mechanical Systems and Materials.

Brief Bio-sketch

Dr. Suman Kalyan Das is currently an Associate Professor in the Department of Mechanical Engineering at Jadavpur University. He earned his PhD from the same institution in 2013. Dr. Das specializes in research areas such as tribology of materials, material testing and characterization, friction stir welding, and additive manufacturing. His academic contributions include publishing articles in over 46 international journals and authoring 15 book chapters. Additionally, he has actively participated in approximately 17 international and national conferences. Prior to his current role, he garnered invaluable experience during his tenure as a Scientist/Engineer at the Vikram Sarabhai Space Center, ISRO, where he contributed to the development of separation systems for the large booster rocket (S200) of the GSLVMk3 launch vehicle over a span of four years

2. Dr. Shouvik Ghosh

Assistant Professor,
Department of Mechanical Engineering,
Jadavpur University

Topic: Study of Mechanical and Tribological Properties of Al-FA and Al-RHA Metal Matrix Composites

Brief Bio-sketch

Dr. Shouvik Ghosh is currently working in the department of Mechanical Engineering, Jadavpur University. He completed his Master in Mechanical Engineering in 2010 and his Ph.D in 2014. He worked in the study of tribological and mechanical characterisation of Metal Matrix Composite. He has also worked in National Institute of Technology, Sikkim from 2014 till 2017 before joining Jadavpur University. He has published more than 30 Journal and Conference Papers till date.

Tribological Properties of Al-FA and Al-
RHA Metal Matrix Composites

Coordinator: Dr. Rupali
Assistant Professor,
Mechanical Engineering Department

Post Seminar Report:

Dr. B. C. Roy Engineering College organized a one day seminar on "Tribology" on March 22, 2024 in Mechanical Engineering Departmental seminar hall(Digital Class room). The seminar focused on latest issues in Tribology.

The programme started at 10:30 am with the welcome address by Dr. Rupali, Asst. Professor ,Mechanical Engineering Department. The dignitaries on the dias were Prof. Dr. Suman Kalyan Das, Associate Professor, Department of Mechanical Engineering , Jadavpur University and Prof.Dr. Shouvik Ghosh, Assistant Professor, Department of Mechanical Engineering, Jadavpur University. Opening remarks and introduction of the programme was given by Prof. Dr. Chandan Chattoraj, Mechanical Engineering Department. He highlighted the purpose of seminar on Tribology.

Prof. Dr. Suman Kalyan Das gave lecture on the Exploring Green Tribology: Enhancing Sustainability in Mechanical Systems and Materials and Prof. Dr. Shouvik Ghosh gave lecture on the Study of Mechanical and Tribological Properties of Al-FA and Al-RHA Metal Matrix Composites.

Dear Sir ,

I am pleased to inform you that the Department of Mechanical Engineering, Dr. B. C. Roy Engineering College , Durgapur is organizing a seminar in the month of March 2024.It's a great honour for me to invite you to act as a resource person and deliver a lecture on Tribology.

On behalf of the Mechanical Engineering Department department , I once again invite you to act as a resource person for our upcoming seminar.

We look forward to your presence.

Thanking you

Dr. Rupali**Asst. Professor****Mechanical Engineering Department****BCREC ,DURGAPUR**

Respected Madam,

Firstly I would like to accept the invitation and acknowledge the same. As discussed with you I will send the abstract of my lecture along with a short bio by tomorrow.

Thank you, Regards,

Shouvik Ghosh
Assistant Professor,
Department of Mechanical Engg,

Dear Madam,

I am pleased to accept the invitation. However, I will be giving a talk on -
Exploring Green Tribology: Enhancing Sustainability in Mechanical Systems and Materials

Please find attached the abstract as well as my biosketch as requested.

Kind regards
Suman Kalyan Das
