

Department of Mechanical Engineering, Dr B. C. Roy Engineering College, Durgapur

Notice

Date 02.01.2021

Subject: Webinar on Comparison of Weld Cladding Techniques to Improve Metal Properties

This is to notify that the Department of Mechanical Engineering of Dr. B. C. Roy Engineering College is organizing a webinar on **Comparison of Thermocouple and Thin Film Gauges and its applications** from 3 pm to 4 pm on 16th January, 2021. The invited speaker is **Mr Rajeev Ranjan, who is an alumnus of our department and he is presently working as an Assistant Professor of Dr.B.C.Roy Engineering College Durgapur.** Interested students are advised to register themselves within 15th January 2021 by submitting the google form given in the attached flyer. The google meet link for joining the webinar will be sent to the registered email addresses 15 minutes before the commencement of the webinar. Interested faculty members may also join using the link. Participants may contact any one of the undersigned for their queries if any.

(Number of seats is limited & students will be able to participate on **First Come First Serve** basis)

Registration is open now

The webinar on “Weld Cladding Techniques to Improve the Metal Properties” was conducted by the Department of Mechanical Engineering of Dr. B. C. Roy Engineering College, Durgapur on 16.01.2021. The talk was given by Prof. Rajeev Ranjan. He did his B. Tech in Mechanical Engineering from Dr. B. C. Roy Engineering College, Durgapur in 2010 and completed his M. Tech from NITRR, Kolkata, India. He is an alumnus of the Department of Mechanical Engineering of Dr. B. C. Roy Engineering College, Durgapur. He is presently working as an Assistant Professor in Department of Mechanical Engineering of Dr. B. C. Roy Engineering College, Durgapur. The Google Meet link was shared one day before the webinar to the participants who filled up the form. About 95 participants filled up the form. Out of them total 22 participants attended the webinar. The webinar Google Link was opened 10 minutes before the scheduled time. The Scheduled time was changed from 3.00 pm to 2.45 pm as the speaker requested so due to some occupancy of him. The talk started at 2.45 pm. The whole speech was recorded using a Screen Recorder Software. The talk was very interactive and the students enjoyed the talk. Among the participants mostly students were there and few faculties. All are connected to Department of Mechanical Engineering of Dr. B. C. Roy Engineering College, Durgapur.

The whole event was conducted by Prof. Subhajit Bhattacharya, Assistant Professor of Department of Mechanical Engineering of Dr. B. C. Roy Engineering College, Durgapur.
