Subject: Webinar on *Computational Fluid Dynamics and Finite Element Analysis and Their Applications in Industry*

This is to notify that the Department of Mechanical Engineering of Dr. B. C. Roy Engineering College is organizing a webinar on computational fluid dynamics, finite element analysis and their applications in industry from 1 pm to 2pm on 19th September, 2020. The invited **speaker is Mr. Bhaskar Chakraborty, who is an alumnus of our department and he is presently working as CFD-FEA analyst in Thermon Inc.** Interested students are advised to register themselves within 18.9.2020 by submitting the google form given in the attached flyer. The google meet link for joining the webinar will be sent to the registered email addresses 15 minutes before the commencement of the webinar. Interested faculty members may also join using the link. Participants may contact any one of the undersigned for their queries if any.

Webinar held on 19th September, 2020 organized by the Department of Mechanical Engineering of Dr. B. C. Roy Engineering College Durgapur

The Department of Mechanical Engineering of Dr. B. C. Roy Engineering College organized an webinar on Computational Fluid Dynamics, Finite Element Analysis and Their Applications in Industry from 1 pm to 2pm on 19th September, 2020. The invited **speaker was Mr. Bhaskar Chakraborty, who is an alumnus of our department and he is presently working as CFD-FEA analyst in Thermon Inc.** The main objective of organizing such a webinar was to give the students some opportunity to interact with industry experts so that they can correlate their theoretical knowledge with practical challenges in the industry. The webinar started as per the schedule in google meet platform with the introductory speech form Prof. Dr. Kanchan Chatterjee, Head of the Department, Department of Mechanical Engineering. The speaker explained different applications of CFD & FEA in a very lucid way with the help of a nice PowerPoint presentation. A few questions were asked from the audience which was answered nicely. Approximately 70 students and a few faculty members were present in that webinar. The session ended with a vote of thanks given by the head of the department. The entire event was coordinated by Prof. Pranesh Kumar Das, Assistant Professor of the Department of Mechanical Engineering of Dr. B. C. Roy Engineering College.
