**NOTICE**

Sub.: BCREC Administrative Capacity Development Programme, AY 2020-21.

The recent renewal in the insistence on lockdown protocols and the increasing penetration of vaccines and vaccinated status sends two apparently contradictory messages regarding the pandemic which, as only a handful of experts had been able to foresee initially, rages on for the second year in a row. At once it underscores the need for heightened vigilance against the marauding virus and the need for resumption of normalcy with vim and vigour.

In due synchronization with the above spirit, the 7<sup>th</sup> edition of the ACDP programme of BCREC is being extended as a biannual edition, namely the Programme for Ensuring a Secure Campus (PESC), 2021.

The event will be conducted by Prof. Dr. Somroop Siddhanta (HOD) and Prof. Sandip Mukherjee of the Faculty of Management Studies (FMS) from 10 am to 5 pm on the 31<sup>st</sup> of May, 2021 and the 1<sup>st</sup> of June, 2021. All the participants are advised to report at 9:55 am at the assigned venue and ensure that their attendance is duly marked in the common roster, duly compiled by hon'ble HODs.
