7. Prof. (Dr.) Kamalika Tiwari , Co-ordinator- Soft Skills Enhancement Program, BCREC.

Prof. (Dr.) Arunava Mookherjee, Prof-In-Charge- Soft Skills Enhancement Program, BCREC welcomed all the members in the virtual meeting and thereafter started the meeting agenda-wise.

### 1. Assessment Based Pre-Placement Soft Skills Training (2022 pass-out batch) Assessment Module SS-III : Group Discussion Sessions

Prof. (Dr.) Arunava Mookherjee informed the members present that the Skill Enhancement program for the 2022 pass-out batch has already commenced from 20<sup>th</sup> April, 2021 with the regular practice sessions in the form of:

- 2 (two nos.) English Usage Tests (EUTs),
  - 1 (one no.) Quantitative Aptitude Test (QAT) ,
  - 1 (one no.) Reasoning Aptitude Test (RAT) &
  - 1 (one no.) Functional Domain Based Test
- i.e 5 Tests Per week.**

The Soft Skills Finishing School Assessment Based Training too has commenced from April, 2021 as per the revised schedule of ABT-2022 (\*\*Enclosed at the end). The collection of the CVs as per module SS I have almost been done and the corrections are on.

Planning is required for the execution of the SS III module: Group Discussion Sessions. She pointed out that the **SS III** module is scheduled in the Month of May. There are a total of **581** students (B.Tech + MBA+MCA) who are going to participate in the process. As per the proposal :

- **GD Panels are to be formed of not more than 15 students in a meet.** (which accounts for almost 39 panels)

*Arunava Mookherjee*  
5/5/21

- **Each panel is to be assessed by internal panelists (2/3 in no.)** (1 soft-skill training expert + 1 Departmental T&P Co-ordinator + 1 Core team member)
- The **role of the soft-skill training expert** is to be the facilitator of the GD Session and giving feedback to the participants of the session.
- The **roles of the Departmental T&P Co-ordinator** is to co-ordinate with the students and ensure 100% attendance in the sessions.
- The **role of the Core Team member/representative** is to monitor the process and record the proceedings for documentation for Accreditation processes.

In response, Prof. Prabal Sahoo, Convener, Core Team Placements pointed out that the departmental T&P Co-ordinators are overburdened due to the online mode of Placements. According to him, previously when the recruitment drive processes used to take place in the off-line mode, any particular drive -on campus used to be a one-day affair and required an intervention of not more than 4 to 5 T&P Co-ordinators. Whereas, the online mode interview processes are staggered over 2 to 3 weeks and requires constant monitoring of the students to ensure their participation in the placement processes. So it would be better if a separate team of representatives from each department is picked up to facilitate this process of Soft Skills Training in particular.

Prof. (Dr.) Mrinmoy Chakraborty opined that the problem lies not with the requirement of Departmental Co-ordinators, rather with the no. of Soft Skills facilitators. Preparing 39 panels and catering to their needs cannot be handled by only 4-5 Soft Skills Experts. We need more panelists and more practice sessions for the students. So, the college needs to populate this list of Soft Skills Experts.

Prof. (Dr.) K.M.Hossain, HOD(AEIE)& Dean(Academics) implored the earlier speakers and suggested an additional man power could be arranged as Soft Skills Experts from the existing faculty members in the college. He enquired with Dr. Mookherjee the no. of extra man power required to populate the list of Soft Skills Experts for smooth conduction. To that Dr. Mookherjee suggested that we have 6 identified facilitators namely Dr. Suneeta De, Dr. Sharmistha De Dutta, Prof. Sarabjeet Lahiri, Dr. Kamlika Tiwari, Prof. Debadrita Sen and she herself. An additional team of 7 more members need to be identified. He even suggested that the SSEP Team, BCREC executes a TTT (Train the Trainer) Program with a uniform guideline on how to handle the Technical GD Sessions with all the 13 panelists.

Prof. (Dr.) N.N.Pathak, HOD(ECE)& Dean(SW&A) mentioned that GD skill enhancement should be a continuous process and should be tackled at the departmental level on a continuous basis. Specially assigned classes and faculty instructors are already there as per the University guidelines at the departmental level. There should be a mechanism to monitor these classes. The effort at the Central Level should be restricted to finishing Assessments only as planned by the SSEP team BCREC. He further urged that the faculty instructors of the aforesaid classes could be taken up by the SSEP Team, BCREC for TTT (Train the Trainer) Program with a uniform guideline on how to handle the Technical GD Sessions at the beginning of each semester. He also suggested that : All the HoDs must ensure the allotment of such classes in the Class Schedule (in consultation with Routine Committee) and also engage the departmental faculty member (s) who may be assigned with the said task. The monitoring of these classes should be done by the HoD himself or by any competent faculty member of the department. And the proceedings of each such class be reported to the SSEP team on a weekly basis by the instructors.
