

1. Webinar on Supply Chain

Date: 22nd March 2022

Resource Person: Harman Kaur, Consultant at Manhattan Associates

Prerequisite: NIL

Brief biography of the resource person: Harman Kaur started her career with Tech Mahindra Ltd. She worked there for around 3 years and after that joined Manhattan Associates as a consultant. Manhattan Associates is a product-based supply chain software development company that provides its software to various other product based companies. She has been working here as a consultant and my responsibility is to deliver a high-quality solution to customers, implement, perform enhancements in software functionality etc.

Number of Participants: 118
