Webinar on Importance of Soil Exploration & Soil Dynamics in Engineering Construction

As part of the institute academic activities, experts from eminent institutes, Dr. Kumar Venkatesh, Dr. Pradipto Chakraborty and Dr. Sanjay Sengupta delivered a presentation on soil exploration and soil dynamics to a group of 200 students of Civil Engineering Department across the country. Er. V.B Singh, President, IEI, Dr. Swapan Bhowmik, Chairman, Engg. Div. IEI, Prof. (Dr.) N. N. Pathak, Principal(Officiating), BCREC explained the importance of the program in the beginning. The speeches were well structured where Dr. Venkatesh explained the different types of practical problems that are faced during the construction. He emphasised on the point that whenever the students will be moving to industry they will have to manage small or big projects. Dr. Chakraborty on the other hand, explained the current road construction scenario: techniques, challenges and opportunities faced during the execution with some case studies. Dr. Sengupta explained the dynamic properties of the soil and different types of test that are adopted in the current days. Er. Manoj Biswal, Hon. Secretary, IEI DLC, concluded the program with vote of thanks.
