Report on One-Day Webinar on “Career Perspective of Civil Engineering” by the Department of Civil Engineering, BCREC in Association with Civil Guruji

The Department of Civil Engineering, Dr. B.C. Roy Engineering College, Durgapur organized a One-Day Webinar on “Career Perspective of Civil Engineering” in Association with Civil Guruji on the 13th of January 2022. Mr. Vijish Shinde, a member of the Indian BIM society & Structural BIM Professional was invited to share his experience with the students. A group of around 80 students gathered in the seminar hall of the department and Prof. Anindita Pan hosted the program. The program was scheduled across two halves. In the 1st half, Dr. Sanjay Sengupta, Associate Professor & HoD, Department of Civil Engineering, BCREC stated the importance of BIM in the modern age in his introductory speech. Mr. Bera explained the overall process of creating a three-dimensional database in the form of a model of information that pertains to the design of a building. He provided an insight into the BIM process through the Revit software. In the 2nd half, he described how he was involved in the project which involved the construction of the Lusail Stadium, Qatar where a few of the matches of the FIFA World Cup 2022 would be played. He also explained how to use the software and the way of using the student version. Students thoroughly enjoyed both the session and interacted with the presenter with a few questions in the end. Prof. (Dr.) Sanjay S Pawar, Principal, BCREC presented his view on the applications of different software in the modelling & importance of project management. Dr. Sabyasachi Chandra, Professor, Department of Civil Engineering, concluded the program with a vote of thanks.
