To
The Principal,
Dr. B.C Roy Engineering College, Durgapur

Date: 10/02/2022

Sub: Seeking permission for organizing a workshop on 19th February, 2022 for the students of Civil Engineering Department.

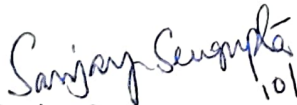

Respected Sir,

We would like to organize a one-day workshop titled, “**Building Information Modeling (BIM) using Revit**” on the **19th February, 2022 (Saturday)** in Seminar hall of the Department of Civil Engineering for the students of our department. Industry expert, **Mr. Matindra Bera (Structural BIM Professional and Consultant, Zenith BIM Services)** will be sharing his experience in the field of BIM. He was formerly associated with **Intercontinental Consultants and Technocrats Pvt. Ltd.** and worked as a consultant for the **HBK Contracting Company** for design of **Lusail International Stadium, Qatar** where the final of **football world cup 2022** will take place. The workshop will help in enhancing the knowledge of the students to become industry ready.

We would like to collect registration fees of Rs. 50 per student as we are planning to pay an honorarium of Rs. 2000 to the speaker. The one day workshop will include the lecture, demonstration and hands-on by students with the Revit software. E-certificates will be provided to each of the student. Prof. Soumyadip Das (Assistant Professor), Mr. Surajit Sen (STA) and Mrs. Anindita Sengupta (TA) will coordinate the event.

I will be highly obliged if you grant permission for conducting the workshop as mentioned above. Post approval, we will proceed to the accounts’ department for the registration fee related process. Your presence and support for conducting the event is highly solicited.

Yours faithfully,

10/02/2022
Sanjay Sengupta,
Head of the Department
Department of Civil Engineering

may kindly be approved.
Ansanim.

Report on One-Day Workshop on “Building Information Modelling (BIM) using Revit” by the Department of Civil Engineering, BCREC

The Department of Civil Engineering, Dr. B.C. Roy Engineering College, Durgapur organized a One-Day Workshop on “Building Information Modelling (BIM) using Revit on the 19th of February 2022. Mr. Matindra Bera, a member of the Indian BIM society & Structural BIM Professional was invited to share his experience with the students. A group of around 80 students gathered in the seminar hall of the department and Prof. Anindita Pan hosted the program. The program was scheduled across two halves. In the 1st half, Dr. Sanjay Sengupta, Associate Professor & HoD, Department of Civil Engineering, BCREC stated the importance of BIM in the modern age in his introductory speech. Mr. Bera explained the overall process of creating a three-dimensional database in the form of a model of information that pertains to the design of a building. He provided an insight into the BIM process through the Revit software. In the 2nd half, he described how he was involved in the project which involved the construction of the Lusail Stadium, Qatar where a few of the matches of the FIFA World Cup 2022 would be played. He also explained how to use the software and the way of using the student version. Students thoroughly enjoyed both the session and interacted with the presenter with a few questions in the end. Prof. (Dr.) Sanjay S Pawar, Principal, BCREC presented his view on the applications of different software in the modelling & importance of project management. Dr. Sabyasachi Chandra, Professor, Department of Civil Engineering, concluded the program with a vote of thanks.
