Dear Sir,  
A Clean India activity was carried out on 31st October, 2021 in Dr. B.C. Roy Engineering College, Durgapur. It focussed on the adverse effects of single use plastic. Given the pandemic situation, students are not attending college physically yet. Hence, it was decided to have a virtual (online) poster making competition on the previously mentioned topic. Some 200 students participated to make the event a grand success.  
Some sample poster shots are attached herewith.  
Thank you.

Dear madam,  
Thank you very much for your endeavour.  
I have one suggestion, please advise your students to put the logos of NSS, MAKAUT and your Institute at the top, while designing posters, ppts or making any report.  
Please undertake similar activities for future initiatives of NSS.  
Regards and best wishes,  
Manik
