Date: Saturday, 9th April, 2022

A webinar on “The application of artificial intelligence in banking in India” was organised by the Faculty of Management Studies, Dr B C Roy Engineering College, Durgapur, through online mode on Thursday, 9th April 2022.

The webinar started with a brief introduction about the event by FMS student anchor and a formal introduction of the resource person by Prof. Dr. Somroop Siddhanta, HOD, FMS. Dr. Siddhanta spoke about the importance of the financial system in developing an economy, accentuating the role of banking in the financial system.

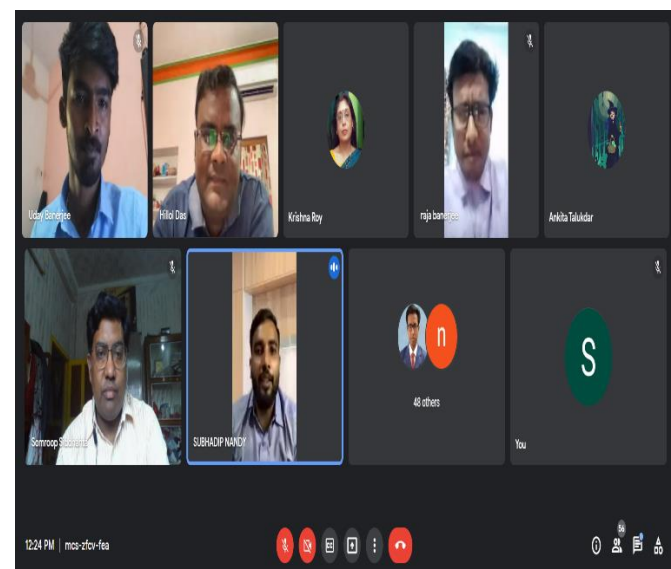

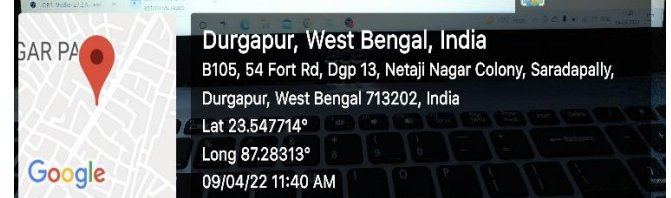

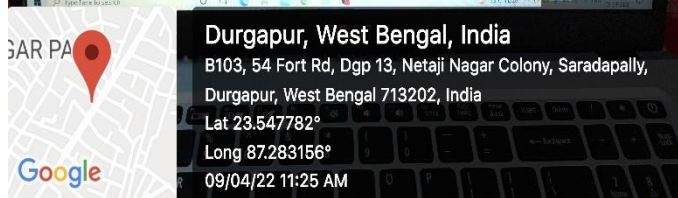

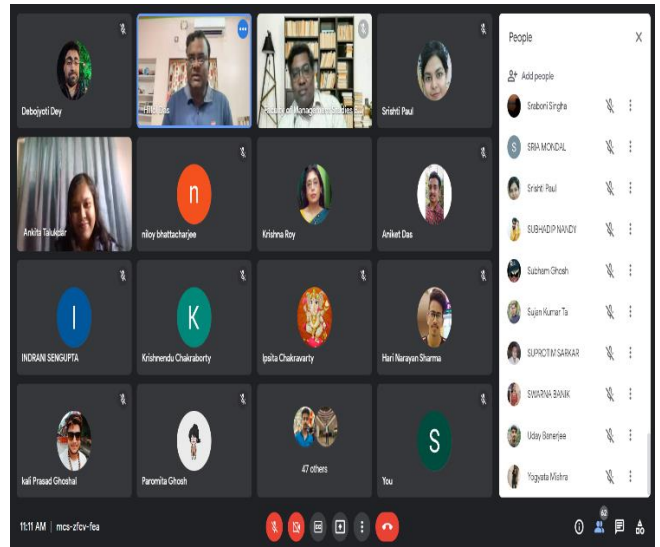

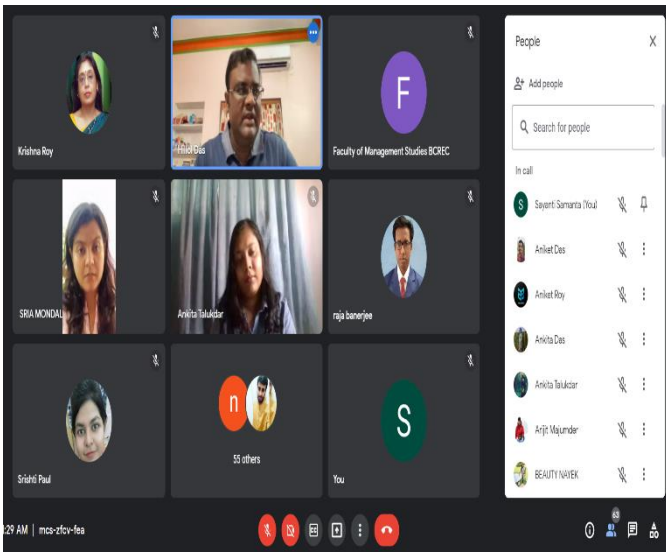

The session was then handed over to the honourable speaker who carried on with the rest of the session.

Mr. Das started by giving a brief overview of the State Bank of India highlighting the key financial aspects of the bank. He emphasized on the significant transformation of the banking industry in India by moving from the traditional to a digital world. He added that digital transformation has revolutionised day to day banking operations for consumers, has 24x7 access to banking services, improves process efficiency and reduces human error. He further added that though the banking industry has undergone significant changes in the last few years with digital transformation, it has come across different challenges and threats concerning security concerns and competition with non-financial institutions.

The next part of his deliberation was about how the banking industry transformed by using technology, specifically artificial intelligence. Mr. Das explained that the most commonly used AI technologies are robotic process automation, virtual assistant, personalized money-management interfaces and other machine learning techniques. In this context, he spoke about one of the most effective technological solutions for the bank: chatbots. He discussed the importance of chatbots in enhancing productivity and preventing customers from waiting to receive responses.

At the end of the session, there was a question and answer round where the students were encouraged to ask questions. Overall the session was very promising, interesting, informative and interactive. The webinar ended with a vote of thanks by the host. It was attended by around 63 participants including head and faculty members of FMS, Dr B. C. Roy Engineering College.

REPORT OF SEMINAR ON “DIGITAL ENTREPRENEURSHIP AND THE E-START UP”

Resource Person: Mr. Manoj Kumar Singh, Alumnus, MBA 2012-14, FMS; CEO, MKS Legal Ventures, Durgapur.

Date: Friday, 22nd April, 2022

On 22nd May, 2022, a seminar on “Digital entrepreneurship and the e-start up” was organized by Faculty of Management Studies, Dr. B. C. Roy Engineering College, Durgapur in association with the Entrepreneurship Cell (E-Cell, BCREC) at Albert Einstein Seminar Hall. The seminar was attended by 153 students and a few faculty members, Vice Principal, Registrar and other dignitaries of Dr. B. C. Roy Engineering College.

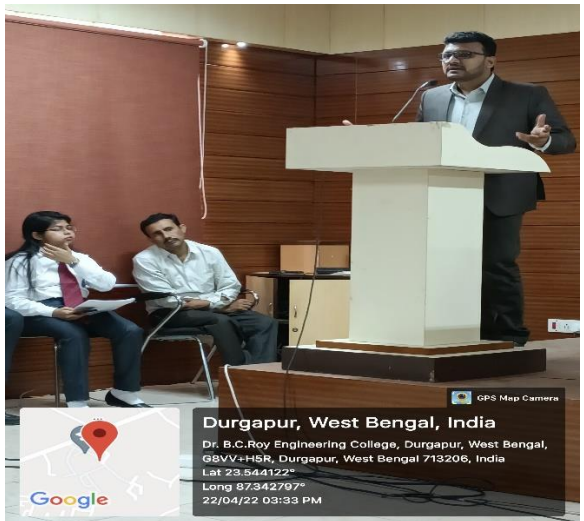

The seminar started with a brief introduction about the event by FMS student anchor. The dignitaries on the dias were Mr. Manoj Kumar Singh, CEO, MKS Legal Ventures, Durgapur, Prof. Dr. Sanjay S. Pawar, Principal, BCREC, Prof. Dr. Somroop Siddhanta, HOD, FMS and Prof. Krishna Roy, Convener, Entrepreneurship-Cell, BCREC. The speaker was felicitated by Dr. S. Pawar. Prof. Krishna Roy delivered the keynote address to set the underlying theme of the event. Prof. Roy started with the inspiring journey of an entrepreneur and global business leader, Kiran Mazumdar Shaw followed by eminent entrepreneur Saras Sarasvathy and others. She also highlighted the importance of collaborating with the National Entrepreneurship Network (NEN) to encourage students to start their ventures.

The session was then continued by an opening speech by Prof. Dr. Somroop Siddhanta, HOD, FMS. We were fortunate to have Mr. Abhijeet Gaurav, Alumnus, FMS Class of 2016-18, Investigation Specialist, ML Data Associate II, Amazon India on that day who shared his journey from academia to corporate. Prof. Dr. Sanjay S. Pawar, Principal, BCREC was the next speaker to give a speech on this auspicious event. After the introduction of the resource person by the host, the session was then handed over to the honourable speaker who carried on with the rest of the session.

Mr. Singh spoke about the essence of entrepreneurship, accentuating the value addition and nurturing the life of people to make them feel better and different. He divided the whole session into four different to make it interesting, informative and interactive. The first part was about his academics, start-up and the factors that fuelled his journey to become an entrepreneur. The second part was about how one should nurture himself toward entrepreneurship, apprehending the scope and prospects of entrepreneurship. The next part was about Digital Entrepreneurship, e-start-ups and the future of e-business, emphasizing various business models, idea generation, seed funding and quantum theory's underlying principles.

The last and final session was about idea sharing and question and answer round where the students were encouraged to ask questions. Overall the session was very promising, interesting and informative. The session ended for the day with a vote of thanks to the invitee, the organizer of the webinar and to all those who were present in the session, including students.

Subject: Invitation for delivering a Seminar at Dr BC Roy Engineering College, Durgapur

Dear Mr Patra,

Greetings for the day!

Its indeed a matter of great pleasure for us that you have given your consent to deliver a seminar on the topic "AGILITY-A WAY OF MANAGING NEXT-GEN PRODUCTS" to our MBA students, at the Faculty of Management Studies, Dr. B. C. Roy Engineering College, Durgapur.

In line with your telephonic interaction with Prof (Dr) Arunava Mookherjee in recent time, I am hereby sending you the official invitation mail to deliver the seminar on Friday, 6th May,2022. The seminar will start from 4:00 pm onwards& will last around 1 hour 30 minutes including a question-answer session. Please feel free on contact us for any kind of assistance.

I am sure your expertise will make the entire session truly enriching & beneficial for our students.

Thanks & regards,

Dr. Somroop Siddhanta
Prof. & Head (FMS, BCREC)

REPORT OF SEMINAR ON “AGILITY – A WAY OF MANAGING NEXT-GEN PRODUCTS”

Resource Person: Mr. Avishek Patra, Alumnus, MBA Class of 2009-11, Scrum Master, Commonwealth Bank of Australia (CommBank), Bangalore.

Date: Friday, 6th May, 2022

On 6th May, 2022, a seminar on “Agility – a way of managing next-gen products” was organized by the Faculty of Management Studies, Dr. B. C. Roy Engineering College, Durgapur at Albert Einstein Seminar Hall. The seminar was attended by 53 students and the faculty members of MBA, Department of FMS of Dr. B. C. Roy Engineering College.

The seminar started with a brief introduction about the event by FMS student anchor. The dignitaries on the dias were Mr. Avishek Patra, Scrum Master, Commonwealth Bank of Australia, Prof. Dr. Sanjay S. Pawar, Principal, BCREC and Prof. Dr. Somroop Siddhanta, HOD, FMS. The speaker was felicitated by Dr. S. Pawar followed by opening remarks and an introduction of the programme by him. Prof. Dr. Somroop Siddhanta delivered the keynote address to set the underlying theme of the event.

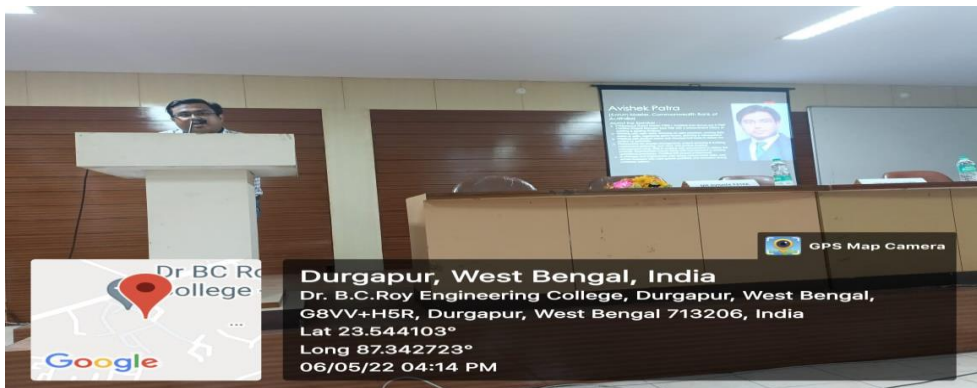

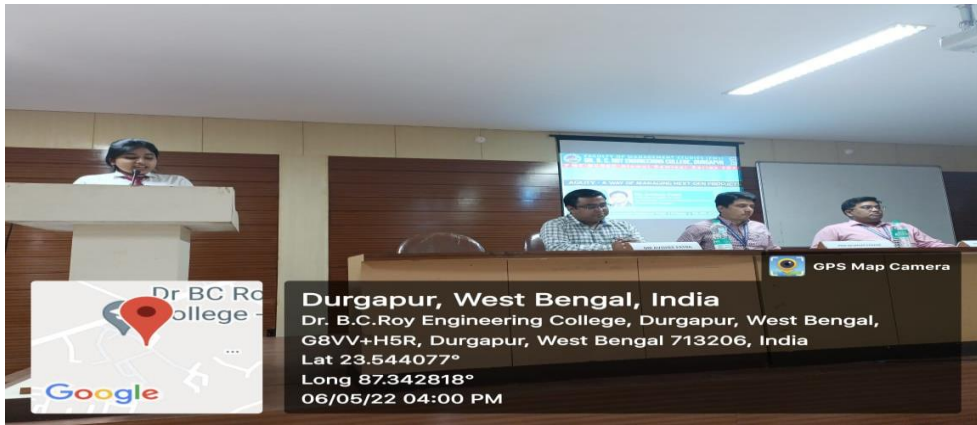

After the introduction of the resource person by the host, the session was then handed over to the speaker who carried on with the rest of the session.

Mr. Patra started by sharing his career trajectory, describing the progression of his career, and how he gained professional set of skills and contributed to different dimensions to accomplish career goals. He emphasized the need for speed and adaptation, the agile era that revolutionised the way technology companies operated and was a key driving force behind the success of companies like EPC manufacturing Co., CICSO and many more.

Mr. Patra also added that an agile mindset includes respect, collaboration, and improvement on learning cycles, pride in ownership and focuses on delivering value and most importantly the ability to adapt to changes. In this context, he explained the scrum framework within which people can address complex business problems, while productively and creatively delivering products of the highest possible value.

At the end of the session, there was a question and answer round where the students were encouraged to ask questions. Overall the session was very promising, interesting and informative. The session ended for the day with a vote of thanks to the invitee, the organizer of the webinar and to all those who were present in the session, including students.

Date: Friday, 20th May, 2022

On 20th May, 2022, a webinar on “Challenges Of Project Management In The IT Sector” was organized by Faculty of Management Studies, Dr. B. C. Roy Engineering College, Durgapur in association with the Entrepreneurship Cell (E-Cell, BCREC). The webinar was attended by 55 students and a few faculty members of Dr. B. C. Roy Engineering College.

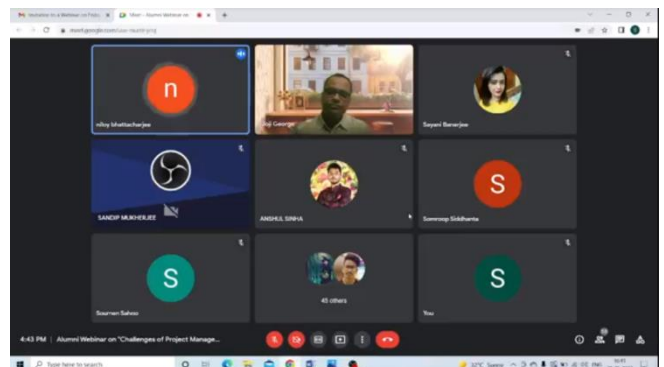

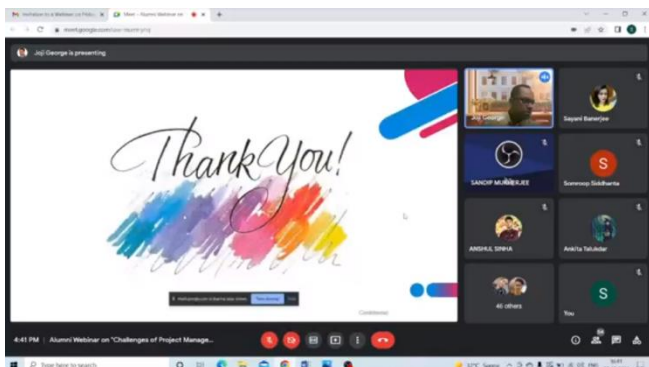

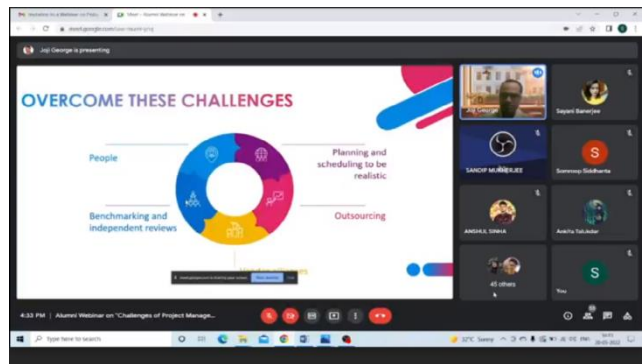

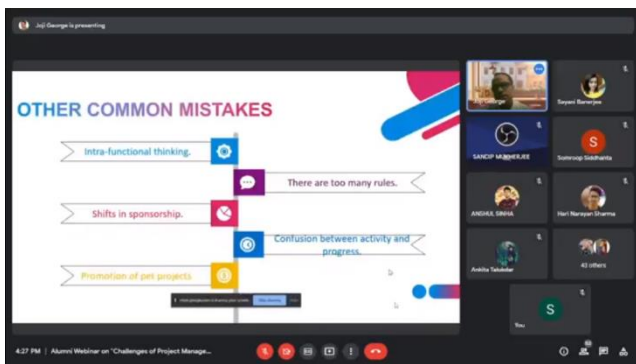

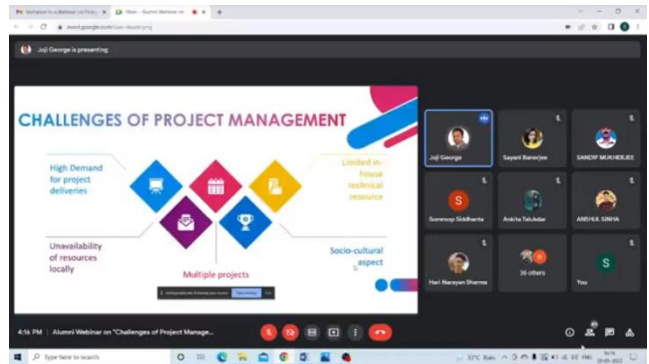

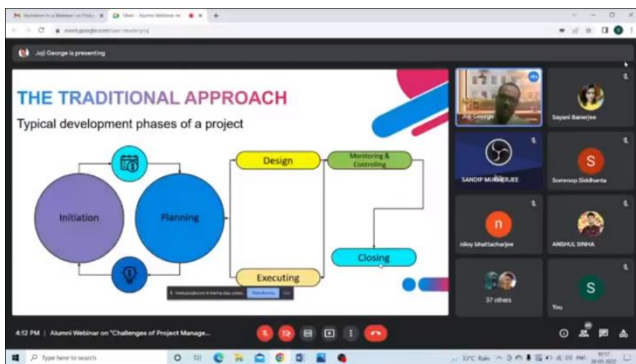

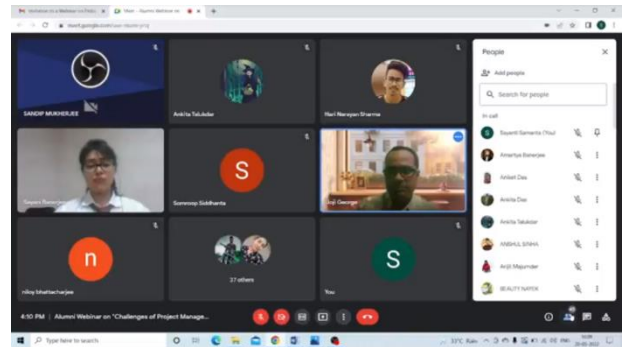

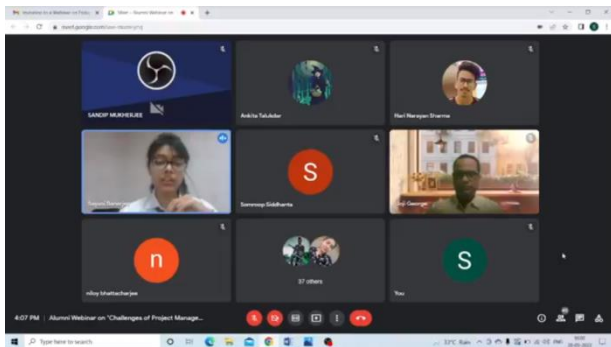

The webinar started with a brief introduction about the event by FMS student anchor. The chief speaker was Mr. Joji Joseph George, Project Manager- GSS InfoTech Limited, Dhaka. The session was then continued by the speech of the resource person. After the introduction of the resource person by the host, the session was then handed over to the honourable speaker who carried on with the rest of the session. We were fortunate to have.

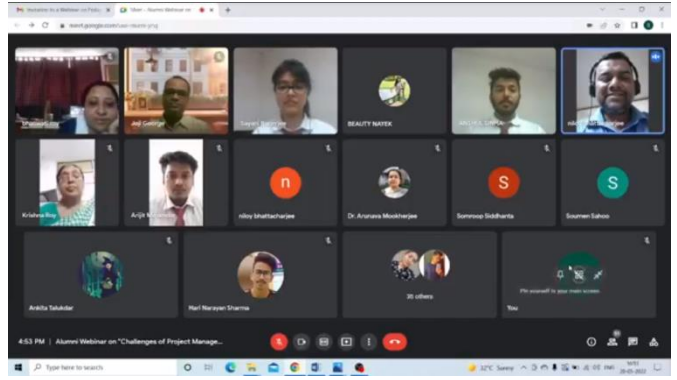

Mr. George spoke about project management in details, accentuating the value addition and nurturing the life of people to make them feel better and different. He divided the whole session into different parts to make it interesting, informative and interactive. The first part was about his academics, and the factors that fuelled his journey to become a project manager. The second part was about how one should nurture himself toward this profile, apprehending the scope and prospects of it. The next part was about the challenges of project management and theory's underlying principles, along with it he presented the tools and tricks to overcome the challenges.

The last and final session was about idea sharing and question and answer round where the students were encouraged to ask questions. Overall the session was very promising, interesting and informative. The session ended for the day with a vote of thanks to the invitee, the organizer of the webinar and to all those who were present in the session, including students.
