On 23rd November, 2022, a seminar on “Use of Latest Technologies In Banking Sector in the Fintech Company” was organized by the Faculty of Management Studies, Dr B.C. Roy Engineering college, Durgapur at Digital classroom. The seminar was attended by 63 Students and the faculty members FMS of Dr. B. C. Roy Engineering College.

The seminar was started with brief introduction about the session by Dr. Somroop Siddhanta, HOD, FMS of Dr B. C. Roy Engineering collage, Durgapur. The speaker was introduced by the faculty members of FMS department followed by opening remarks. Dr. Somroop Siddhanta delivered the keynote address to set the underlying theme of the event.

After the introduction of the resource person by the host, the session was then handed over the speaker who carried with the rest of the session.

Mr. Sarkar started by sharing his career trajectory, describing the progression of his career, and how he gained professional set of skills and contributed to different dimensions to accomplish career goals. He emphasized the need for the use of the latest technologies in banking sectors and how digitally and customer-friendly they are operating in recent days. The Federal Bank Limited is one of the major Indian commercial banks in the private sector. He has also explained about Fintech which has become a familiar term in technology in general. The Global investment in Fintech ventures has doubled to a whopping \$112 billion as compared to \$51 billion last year, this is more than a piece of evidence to prove that the digital revolution is at the doorstep of the financial services sector.

The use of technologies by start-ups to come up with innovative products and services such as mobile payments, alternative finance, online banking, big data and overall financial management.

The Fintech for banking has impacted numerous applications and revolutionized the way consumers access their finances. Its impact ranges from mobile payment apps like Square to investment and insurance companies.

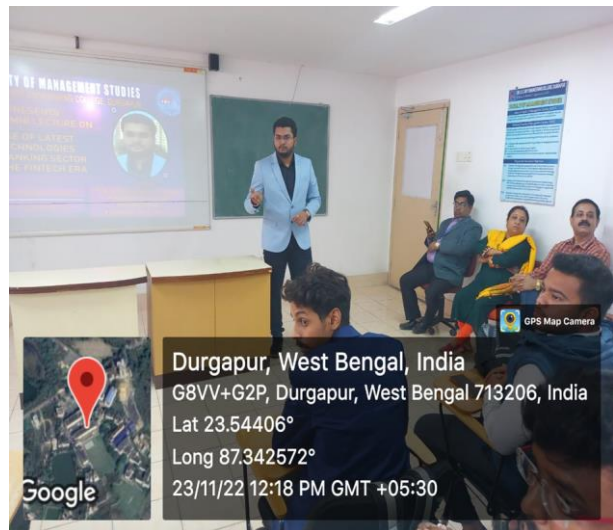

He also added that an agile mindset includes that everyone in this digitally growing world should learn and try to adopt the new technologies in the banking sectors

At the end of the session, there was a question and answer round where the students were encouraged to ask questions. Overall, the session was very promising, interesting and informative. The session ended for the day with a vote of thanks to the invitee, the organizer of the webinar and to all those who were present in the session, including students.
