

1. Event Summary of Study Abroad Seminar

On 18th of January, 2023, Dr B.C.Roy Engg College hosted a 'Study Abroad-Nurturing Next Gen' Seminar with Edwise International, Kolkata, as program partners.

In the 22 years of existence of Dr B.C.Roy Engineering College, we have seen tremendously talented students desirous of but not able to connect with their wishlists of career/study opportunities abroad. Once a student completes her/his education here, a natural progression is thought to be a job or exams for the next higher degree, in India. The world remains out of consideration for most of our students because of perceptions of being extremely difficult to access- both economically as well as academically.

It was to break this myth that BCREC- SST & CGC (Soft Skills Training Cell and Career Guidance Cell) conceptualized bringing the proverbial mountain to our prophets.

Representation of 18 countries and one to one counseling regarding course fees, or its absences, visa rules, housing and culture, entry exams (IELTS & TOEFL) career/internship opportunities were discussed by the Edwise Team.

Along with over 200 students participating enthusiastically, were teachers, HODs and staff members for whom this was an eye-opener in Durgapur. This was the first International Study Career Awareness Program hosted at the city.

There was tremendous student and Staff satisfaction at the end of the day and Edwise ensured that their colorful brochure-bags were in every hand present.

2. Notice for Study Abroad Seminar

Attention: All B.Tech, MBA and BCA Students of BCREC, Pharmacy and AHS Students OF BCRCP, Professional Courses Students of APC
