

Event Summary of Industry Readiness Assessment Program

On 13th and 20th May, 2023, the Training & Placement Cell, partnered by Soft Skills Training Cell and Career Counselling Cell of Dr B. C. Roy Engineering College hosted a wonderful drive for her Pre-Placement students who are scheduled to graduate next year(2024) Thereafter. Alumni and non alumni domain experts from reputed industries were invited to evaluate the Pre Final year students of BTech, MCA in terms of their CV Writing, GD and Personal Interview skills.

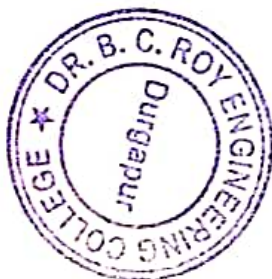

It was made optional for students to test their interest and commitment to the Training & Placement Program. A total of 200+ students across all programs participated in the drive. More than 20 Domain Experts from across industries and different areas of specialization visited the campus premises and interacted with the students for over 4 hours on each day.

All stakeholders of the event were very happy with the proceedings and the outcome was huge in terms of learning and bonding strongly with students-past and present.

Tables were made comprising a medley of students of different backgrounds for each of the 2 dozen panelists when their CVs were being reviewed for their GD Skills. The CV/Resume correction was done individually and feedback also, was provided individually.

The sessions began with a generic Meet and Greet between the Invited Experts and the evaluatees. The evaluation parameters as well as the Industry ASK were clearly enunciated. The students had many questions, and our experts were more than happy to respond.

The event was an amalgamation of achieving many objectives simultaneously: a reconnect with our dear and accomplished alumni, a reaffirmation to our commitment to constantly add value to the curricular inputs, as well as the talk, of delivering competent bench-strength, with the industries represented by our invited experts.

Dear Mr. Sinha,

Hearty Greetings from Dr B.C. Roy Engineering College, a premier Engineering College in East India, with 5 NBA accredited courses, a NAAC accreditation, and a decent NIRF Ranking!! It gives me great joy to invite you to interact with and evaluate our Pre-Placement Students with regard to their Group Discussion Skills, on 20th May 2023. We strongly believe that your presence and valuable insights will transform our students into better prepared professionals.

Thank you from the bottom of our hearts for sparing your valuable time for nextgen BCREC!

Kindly confirm your participation via return mail and oblige.

BCREC looks forward to welcoming you on campus!

Thanking You
