- V. Number of Student Participants:** 180
- VI. Number of Faculty Participants:** 23
- VII. Number of External Participants, if any:** NA
- VIII. Expenditure Amount, if any:** NA
- IX. Mode of Session delivery:** Offline
- X. Speaker details:** Prof. (Dr.) Nirmal Baran Hui is a distinguished professor of department of Mechanical Engineering, NIT, Durgapur and Dean (academic courses) of the same institute. He is an alumnus of the same institute and has completed his PhD from IIT Kharagpur. Previously he has been associated with IIT-ISM Dhanbad. With over 50 publications, Prof. Hui's area of expertise includes Robotics, Design Optimization and more.
- XI. Objective of the event:** Every year on 11th November, National Education Day is observed to honor the birth anniversary of India's first Education Minister, Maulana Abul Kalam Azad. National Education Day was officially announced by the Ministry of Human Resource Development in 2008. National Education Day celebrates the journey of Maulana Abul Kalam Azad and commemorates his contribution. In keeping with the theme of National Education Day 2022 - “Changing the course and transforming education”, the objective of the event was to spread awareness among the students of our college on the changing paradigms in teaching, learning and assessment.

XII. Benefit in terms of learning/ Skill/ Knowledge obtained: The lecture inspired the students of our college to see the changes as opportunities and to be ready to grab them. Education had now shifted from Teacher Centric Education of 1960 to Students Centric Education since 2010. Education should be context based instead of content based. Students have to "Be in education, Care about education and Impart education".
