On 21st October, 2022, The NSS cell of Dr BC Roy Engineering College organized a cleanliness drive with the spirit of “Swach Bharat Abhiyan”.

Some 10 resident student volunteers came together to engage in cleaning of college hostel and surrounding premises of hostels to promote equality of work and cleanliness. They enthusiastically engaged in the activity for the whole day during college hours.

From perception, planning to execution everything was carried out by the volunteers of their own accord with little assistance from outside. Their hard work served as an inspiration to other students as well.
