The hospitals that came forward with the responsibility of collecting units were Durgapur SD Hospital & The Mission Hospital. The event was held at Recreation Point, BCREC. All proper setups were arranged the previous day and early morning of event day by the student volunteers with assistance from faculty and other staff members. The students' council also played an active part in successful organization of the camp.

A total of **150** units of blood were collected. Many had to be turned back because of infrastructural limitations of collecting bodies.
