

## WEAPON AND EQUIPMENT DISPLAY.....

There was a weapon and equipment display at Panagarh military base. Our college received an invitation to visit. The principal approved to the visit and a bus was arranged by the college. About 50 students visited.

It was really a learning session for all. The weapons were at display and the use of each weapon was explained by the army officials.

The use of war arms, survival strategy, use of tankers , medical assistance and many more aspects were explained. The common people are generally unaware of these facts. The main motive of the display was to bring awareness of the armed forces and motivate towards the Indian Army.

It was indeed a learning session for the students and the Cadets. At the end refreshments were served.

**MILITARY WEAPON & EQUIPMENT DISPLAY**

1. A weapon & equipment display for students is planned on 07 - 08 Feb 2023 at Panagarh Military Station. This event will help students to know their Armed Forces and at the same time it will give them motivation towards the forces.
2. We will request for attendance of your college for the said event and confirm us the same. It is also requested to provide us with the contact details of the coordinating teacher/officer from your school for our further necessary coordination. The strength of students and date/time will be intimated later once the confirmation is received. The details of planned conduct of the event are as follows:-

<u>Ser No</u>	<u>Date &amp; Time</u>	<u>Event</u>	<u>Remarks</u>
(a)	07 Feb 2023 0900-1200h	Weapon & Equipment Display	<ul style="list-style-type: none"><li>• Refreshments will be catered for the students.</li><li>• Schools have to coordinate for their own transportation for the event.</li></ul>
(b)	08 Feb 2023 0900-1200h		

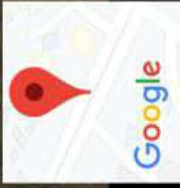

3. For your kind consideration please.
