#### Administrative Capacity Development Programme (ACDP) 2023. DR. B. C. ROY ENGINEERING COLLEGE (BCREC). DURGAPUR.

#### BROCHURE: BCREC ACDP 2022-23 (PAEI 2023)

#### ममैवांशो जीवलोके जीवभूतः सनातनः। मनःषष्ठानीन्द्रियाणि प्रकृतिस्थानि कर्षति॥

mamaivānsho jīva-loke jīva-bhūtaḥ sanātanaḥ manaḥ-ṣhaṣhṭhānīndriyāṇi prakṛiti-sthāni karṣhati

(Bhagavad Gita: Chap. 15, Verse 7)

**Introduction:** The embodied souls in this material world are eternal fragmental parts of the God and though bound by material nature, they are struggling with the six senses including the mind to liberate. These senses are one's ideas, opinions, perceptions, emotions, memory, will etc. together with one's thoughts, which constitute the mind and are rooted in his past experiences and all likely future events.

From the time immemorial every human being, and the institution or society he/she belongs, strives to achieve excellence in their respective fields. One of the important factors contributing towards human excellence is the intellect which distinguishes *Homo sapiens* from other animal species. The human intellect culminates into the Intelligence Quotient (IQ) and the Emotional Quotient (EQ) for all practical applications. Contemporary researches have established that only twenty percent of the life's success depends on Intelligent Quotient (IQ) whereas eighty percent accounts for Emotional Quotient (EQ). Emotional intelligence is the ability to understand and manage our own emotions, as well as recognize and influence the emotions of those around us. The insightful book by Daniel Goleman, 'Emotional Intelligence: Why it can matter more than IQ' has redefined the way the world educates students in institutions, relates to family and friends, and even conducts business.

**Objective:** The transformational programme shall endeavour to address various facets of administrative capacity building with an emphasis on the Higher Educational Institution (HEI) catering to various stakeholders under its ambit. Since emotional intelligence encompasses both our personal and professional lives, the programme, more like a workshop in nature, shall be an enriching experience in both contexts.

**Target Audience:** All faculty members and persons associated with the management of students' affairs are the leaders in their individual capacity. Hence, the programme is meant for all of them.

#### The Hon'ble Presenter & Venue:

The **Programme on Application of Emotional Intelligence (PAEI, 2023)** will be conducted by Prof. Sandip Mukherjee, AP, FMS (Faculty of Management Studies, BCREC) at the Albert Einstein Seminar Hall, Main Building, BCREC from 10 AM on Thursday, 11<sup>th</sup> May, 2023.

FOR FURTHER DETAILS PLEASE CONTACT PROF. KRISHNA ROY AT krishna.roy@bcrec.ac.in AND/OR +91 94340 20293.

#### PAEI 2023. ACDP 2022-23. EVENT REPORT SUMMARY.

Dr. B. C. Roy Engineering College, Durgapur successfully organised the Administrative Capacity Development Programme (ACDP), 2023 in revised format for a group of select members of the teaching faculty of BCREC, on Thursday,  $11^{\rm th}$  May 2023.

The human intellect culminates into the Intelligence Quotient (IQ) and the Emotional Quotient (EQ) for all practical applications. Contemporary researches have established that only twenty percent of the life's success depends on Intelligent Quotient (IQ) whereas eighty percent accounts for Emotional Quotient (EQ).

The BCREC Administrative Capacity Development Programme (ACDP), AY 2022-23 sought to meet these challenges head on, with the exclusive event for BCREC faculty, "A Program on Application of Emotional Intelligence" (PAEI). The event was conducted by Prof. Sandip Mukherjee, AP, FMS (Faculty of Management Studies, BCREC) at the Albert Einstein Seminar Hall, Main Building, BCREC, on the stated date, from 11:00 AM to 04:30 PM. All participants reported at 10:55 AM. The transformational programme addressed various facets of administrative capacity building with an emphasis on the Higher Educational Institution (HEI) catering to various stakeholders under its ambit. Since emotional intelligence encompasses both personal and professional lives, the programme, more like a workshop in nature, was an enriching experience in both contexts.

#### The programme was deemed to have succeeded in all its stated objectives.

Attendance at the programme was duly marked in the roster and the respective HODs and other offices were duly informed. A copy of the Attendance Report is attached herewith.
