Minutes of Meeting

Ref. CSD/DAC/.....

Date: ...26/04/2023.

A DAC meeting was held on the even dated 26th April, 2023 at the HOD room at 11 AM to analyze and to discuss the action taken report based on the feedback received from the students for the academics and for the facilities for the academic year 2022-23. Total 43 CSD students of first year have submitted feedback and the following points are observed.

Action taken report based upon the feedback on the Academics for AY 2022-23

The feedback related to the acquiring of new technical or scientific knowledge shows highly positive adaptability and the ability to apply the knowledge and skills gained in real life problem solving in their domain of study is also highly positive. Students have appreciated the teaching-learning process, environment and classroom sessions. The students agreed that the subjects are relevant to the modern industry need, modern tools in the laboratories are adequate, experiments/practical sessions are helpful and futuristic. They also appreciated that the mentoring and the counseling process in the department are highly beneficial for them. Most of the students have improved their communication skills. Few students don't feel satisfied with the learning environment. Remedial measures are being taken for improving the learning experiences of these students.

1. The students of the department formed a technical club under the name "DEZINOVA" to undertake various technical and professional activities other than regular classroom activities. Under this umbrella, students organize seminars, workshops, coding, essay-writing, debate, discussion etc on a regular basis to enhance their professional skills.
2. Students are motivated to organize seminars/workshops/Tech-quizzes on emerging technologies and to engage in project works in their field of interest during the early days of their professional course for imparting leadership and teamwork in them.
3. Students are encouraged to enhance their professional skills through participation in NPTEL/MOOCs courses, Hackathons etc.
4. Students are motivated to prepare for GATE/ CAT / Placement through participation in Counseling, Expert Talks, Coding contest, Placement training, Industry Interaction etc.
5. Students are engaged in NCC, NSS, Sports, Yoga, Karate etc for imparting value education and their all round development.

Action taken report based upon the feedback on the Facilities for AY 2022-23

Mostly students are satisfied with the facilities available in the institute namely - Classrooms, Laboratories, Hostel, Sports, Library, Canteen, Water and internet. Few students (around 17%) are not happy with the facilities.
