Dear Colleagues,

A departmental meeting will be held on Thursday (20-04-2023) from 3:30 pm onwards at IT-OBE-LAB-01. The agenda of the meeting is as follows:

1. Preparation of action taken report for AY 2022-23 based on the student feedback.
2. ADD-ON course schedule planning for the IT department.
3. Any other agenda raised by committee members for discussion.
4. Progress of B.Tech Projects (Standing agenda).
5. Continuous maintenance of documentation for accreditation and other purposes (Standing agenda).
6. Identifying the deficiencies in Graduate Attributes, weak and strong students and corresponding remedial actions (Standing agenda).

All faculty members and staff members are requested to attend the meeting.

Thanking you

Dr. Moumita Pradhan

(Convener of DAC / PAQIC)

Department of Information Technology
Dr. B. C. Roy Engineering College Durgapur

Action Taken Report
Academic Year 2022-2023

A DAC/PAQIC meeting took place on 20th April 2023 at 3:30 pm in IT-OBE-LAB-1 to finalise and discuss the Action Taken Report based on the feedback on academics, feedback on facilities and course end feedback taken for the Academic Year 2022-23. The feedback was submitted on the college website online by 136 students of the department.

Based on the aforesaid feedback of the students of the department and considering related aspects for the overall benefit of the students, the following actions were taken:

1. Free software Lists for emerging technologies are available in the laboratories and informed to students.
2. Students are periodically updated about the latest trends in emerging technologies by corresponding subject teachers and also centrally from the department.
3. Projects are ongoing since 2nd year, with the latest project problems in emerging technologies.

Awareness program on Project Methodology and Emerging Technologies done in 1st year for this particular academic year.

4. Webinars and seminars are periodically organised on the latest trends in the IT industry.

Students are periodically updated about the latest trends in emerging technologies by corresponding subject teachers and also centrally from the department.

5. Webinars and seminars are periodically organised on the latest trends in the IT industry.
6. Students are continuously motivated by faculty members to participate in the learning process, including co-curricular activities.

Students are regularly counselled and mentored for an enthusiastic and growth mindset.

7. The Department is considering the introduction of the Soft Skill Elective in the final year.

Students are encouraged to express themselves in various academic and other real-life situations.

8. Faculty members are involved in the regular updation of their knowledge through self-reading, active listening to videos, participating in top quality FDPs, seminar/webinars, and online courses.
9. Teachers regularly update themselves on modern pedagogy and try to implement them during the delivery of courses.

Teachers also do self-assessments regarding their pedagogy and adapt their pedagogy as per the requirements of each batch of students.

Teachers also try to provide personalised teaching, as far as practically possible.

10. Lots of opportunities are provided to students for co-curricular and extra-curricular activities.

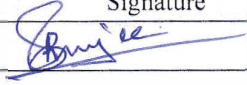

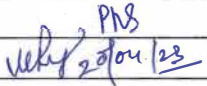

Additionally, the DAC/ PAQIC and AAC has communicated the feedback of the students regarding the following facilities, to the concerned higher authorities, such as Water, Cleanliness and Hygiene, Canteen, Library, Internet, Hostel, and Sports facilities.
