NOTICE

This is to inform all concerned that the Mentor-Mentee list for the academic year 2023-24 of respective departments endorsed by the HoDs, has been approved after discussion in the Weekly Review Meeting. Department-wise Mentor list is attached to this notification.

All Mentors are requested to note that Learning is the fundamental process, purpose, and product of mentoring. It is best described as a reciprocal and collaborative learning relationship between two or more individuals who share mutual responsibility and accountability. The mentors are expected to provide guidance and support to their mentees and help them develop their skills and knowledge.

Hence, Faculty Mentors are requested to start guiding the mentees assigned to them to enhance their growth and professional development. Also, assist them in maximizing their educational experiences and creating a welcoming environment that enriches the teaching-learning process. Your efforts will contribute to facilitating the all-round progress of the students.

Furthermore, HoDs are requested to note that in case any assigned Mentor leaves the institute then the mentees need to be assigned to another Mentor in the department and the update needs to be recorded in the office of the undersigned.

Overview of Mentoring:

Mentoring is a dynamic and interpersonal relationship between an experienced and knowledgeable individual (mentor) and a less experienced or knowledgeable individual (mentee). This relationship is characterized by guidance, support, and knowledge transfer with the aim of personal and professional development. The mentoring relationship is built on mutual trust, respect, and communication, and involves both parties meeting regularly to exchange ideas, discuss progress and set goals for further development. A mentor does not need to know, or to provide, all the answers; instead, the mentor encourages the mentee to use her/his available resources to identify solutions. Mentoring occurs across various contexts, including education, career development, and personal growth.

Objectives of Mentoring:

- ❖ To provide a positive college experience and environment
- ❖ To provide an opportunity for personal and professional development
- ❖ To provide an opportunity to share and enhance their knowledge of college life
- ❖ Guiding students in choosing the correct professional path for job/higher education/entrepreneurship
- ❖ To provide informal support which enhances academic and social outcomes
- ❖ To reduce uncertainty, stress and anxiety
- ❖ To improve the study environment by improving relationships between teachers and students and make the teaching more effective

Roles and Responsibilities of Mentor:

- ❖ Serve as a professional role model
- ❖ Articulate and model effective classroom practice
- ❖ Allow and guide peer mentoring
- ❖ Motivate them to take part in different skill development activities
- ❖ Keep a close vigil on their overall performance
- ❖ Identify the reasons of poor performance and
- ❖ Meet with them on a regular interval

Roles and Responsibilities of Mentee:

- ❖ Provide all the necessary data with relevant documents
- ❖ Attend the mentor-mentee meeting regularly and sincerely
- ❖ Be realistic about the time management to do homework and self-reflection
- ❖ Keep the relationship on track to achieve the goals
- ❖ To communicate honestly with the mentor and show enthusiasm
- ❖ To fully respect the mentor and appreciate his/her mentoring
- ❖ Provide feedback as and when necessary
