Dear Sir/ Madam,

Directorate of Technical Education, Government of West Bengal has taken up an initiative of identifying a few promising colleges to proceed for NAAC accreditation. In this connection we are planning to guide them through some Mentor Institutes who are already accredited by NAAC with B+ or higher grade.

I am happy to select your Institute as one of the Mentors.

Kindly share the Name, Designation, Email and Mobile No of Principal, IQAC Coordinator and NAAC Convener of your Institute who will be guiding the promising Institute under our Directorate for NAAC accreditation at the earliest.

Role of Mentors will be discussed very soon through a meeting.

I am looking forward to your kind and generous support in this aspect.

Thanking you,

Yours faithfully

Director of Technical Education
