Notice

The Department of Mechanical Engineering is going to organise One day Seminar on '3D Modelling and Analysis Software' application on 19th February, 2025. Details are attached herewith (Information Brochure). All are invited to register and participate in the event.

Brief:

3D modeling and analysis software is crucial, because it allows designers and engineers to create detailed, realistic virtual representations of objects, enabling them to visualize, test, and refine designs before physical production, leading to improved design communication, reduced development time, cost savings, and better quality products by identifying potential issues early in the process.

(Registration will be closed on 15th February.)

best wishes,

--
(Dr.)Chandan Chatteraj
Professor & HOD,
Mechanical Engineering Department (NBA accredited),
Dr.B. C. Roy Engineering College (NAAC accredited),
(An Autonomous Institute)
Durgapur - 713206 (W.B.), India.
Ph.: 237 (O)
