Sub: Request for approval of 'Industry Readiness Assessment Program for 2025 Batch' on 7th, 8th, 14th, and 15th September 2024 by Professionals on campus.

Respected Sir,

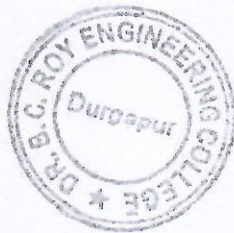

We humbly wish to seek your approval for a four-day program to assess the Industry Readiness of our Final Year B Tech Students of the 2025 batch.

Our Industry Assessor panelists are mostly our successful alumni. We propose conducting a four-day program on 7th, 8th, 14th, and 15th September 2024 (Two consecutive Saturdays and Sunday) from 10 am to 5.30 pm.

Selected faculty members will be present on said dates to assist with the process. In this regard, we request your approval for the successful conduction of the program.

Thanks and Regards.

Approved

Dear Mr. Suman Chatterjee,

Greetings from Dr. B. C. Roy Engineering College, your Alma Mater!

It gives me great joy to invite you to interact with and evaluate our Pre-Placement Students with regard to their Personal Interview Skills, on 7th & 8th September, 2024.

We will be happy to offer you modest refreshment according to the time of day and also a token remuneration. We strongly believe that your presence and valuable insights will transform our students into better prepared professionals.

Thank you from the bottom of our hearts for sparing your valuable time for nextgen BCREC!

Kindly confirm your participation via return mail and oblige.

BCREC looks forward to welcoming you on campus!

University Roll Number	Name	Branch	Industry Readiness (1/2/3) 1: Need Training 2: Need Practice 3: Good to go	Score (10)	Remarks
12071023019	Manami Rajak	MCA	1	2	Poor technical skills - Need to work hard on clearing concepts as well as programming skills. Poor soft skills - Need to work hard on soft skills and presentation. Lack of confidence is very evident during interview process - need to really work hard to overcome this.
12000321104	Souparna Dey	ECE	2	4	Need to brush up his computer concepts if he need to get a job in IT. Need more programming practice. Soft skills is fine but need to work on presentation skills
	Tukai Ghosh	MCA	1	2	Poor technical skills - Need to work hard on clearing concepts as well as programming skills. Poor soft skills - Need to work hard on soft skills and presentation. Lack of confidence is very evident during interview process - need to really work hard to overcome this.
	Nisha Yadav	CSE	3	7.5	Technical skills are good. Know her projects. Need little brush up of programming skills to solve problems more efficiently. Tend to become nervous during interview - need to work on that.
12000121001	Arpana Kumari	CSE	1	3	Poor technical skills - Need to work hard on clearing concepts as well as programming skills. Poor soft skills - Need to work hard on soft skills and presentation. Lack of confidence is very evident during interview process - need to really work hard to overcome this. Being CSE student her preparation is absolutely not up to the mark.
