To
The General Secretary,
Dr. B. C. Roy Engineering College

Subject: Request for approval of funds for Mock assessment for 2025 passing out students.

Sir,

I, Pradipta Pal, on behalf of the Training & Placement Cell (Campus), would like to seek your kind approval of Rs. For mock assessment for 177 students for the upcoming TCS NQT test. We have exhausted our yearly departmental training fund, and arranging funds from other heads in the yearly budget is not permitted. Hence, we seek your kind approval.

Based on the recommendation of one of the HRs of a leading IT MNC, I came across the organization named New Leaf Learning Solutions, and according to mine, if we can conduct 30 assessments on different subjects of the TCS syllabus and the TCS full-length test, it will be helpful for students. We collected students willingness for this test, and out of 328 registered, 177 students expressed their willingness, and we will arrange a test for them.

The cost for 30 mock assessments is Rs. 499/- (including GST) for each student; hence, for 177 students, Rs. 88,323.00/- (rupees eighty eight thousand three hundred and twenty three rupees) is required.

We seek your kind approval on this. Detailed email communications, financial proposal and students list is enclosed for your kind information.

Regards,

Pradipta Pal.

Sir/Madam,

It is for your kind information that we are Training & Placement Cell (campus) conducting a 30-mock test with willing TCS NQT registered students.

On 14th March we conducted two(02) mock tests and the mock assessment. After careful observation we found that a group of students are not attending their test marking (though they recorded their willingness), some students are spending only a few minutes/seconds for their test. Please refer to the attached reports.

Please get in touch with students so that all of them appear for all their assessments to prepare their best.
