**Venue: Albert Einstein Seminar Hall, Dr. B. C. Roy Engineering College, Durgapur**

**Event Title: Career Counselling Session on “Technology Transforming Indian Industries: Driving Innovation and Growth”**

**Date & Time:** 18th February 2025 | 12:00 Noon onwards

**Venue:** Albert Einstein Seminar Hall, Dr. B. C. Roy Engineering College, Durgapur

As part of its commitment to empowering students with real-world career insights and future-ready skills, the **Career Counselling Cell**, in collaboration with the **Training & Placement Cell (Campus)**, organized a highly informative and impactful **career counselling session** in association with **Central Tool Room & Training Centre (CTTC), Bhubaneswar**.

The central theme of the session was **“Technology Transforming Indian Industries: Driving Innovation and Growth”**, which focused on the rapid technological shifts shaping the Indian industrial landscape, and the critical skills students must develop to stay relevant in this evolving ecosystem.

The session featured two distinguished speakers from CTTC Bhubaneswar:

- **Dr. Ritu Maity**, Senior Engineer
- **Dr. K. M. Rajan**, Manager (Training)

Both speakers brought extensive experience in industrial applications, training methodologies, and technology-enabled manufacturing processes. They offered valuable perspectives on:

- Emerging industrial technologies and their impact on job roles
- Skill development and industry-specific certifications
- CTTC Bhubaneswar’s role as a **national-level hub for technical training and industry interface**
- Opportunities for students to participate in short-term, advanced, and specialized training programs

The session saw active participation from final and pre-final year students across engineering disciplines. It proved especially beneficial for those seeking **clarity on industry expectations, technological trends**, and how to align their career paths with **national growth missions** such as *Make in India*, *Skill India*, and *Digital India*.

Students reported a marked improvement in their understanding of:

- Technological advancements across sectors
- CTTC Bhubaneswar’s role in bridging the gap between academia and industry
- The importance of hands-on training and certifications for employability

The event also provided a platform for students to interact directly with experts, ask queries regarding career progression, internships, and how CTTC can support their up skilling journey.

## NOTICE

The college Career Counselling Cell, in collaboration with the Training & Placement Cell (Campus), will host a career counselling session on **18<sup>th</sup> February 2025** from **12.00 Noon till 01.20 PM** at Albert Einstein Seminar Hall, for the pre-final year students of our college with **Project Engineers** from the **Central Tool Room & Training Centre (CTTC), Bhubaneswar**, which is directly under the **MSME Government of India** and offers training, consultancies, and production design. The CTTC Bhubaneswar was developed as part of a technical cooperation program between the Indian government and other government organizations.

The session's subject will be **"Technology Transforming Indian Industries: Driving Innovation and Growth"**

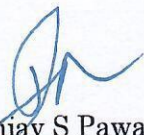

After attending this session, students will have a better understanding of the skills that industries currently require, the role that the MSME Government of India plays in meeting these needs, and the government facilities that CTTC Bhubaneswar facilitates.
