A two day programme on “Grooming Future Leaders for Industry Readiness 2024” was organized by the Faculty of Management Studies, Dr. B. C. Roy Engineering College, Durgapur. The primary objective of the session was to enhance students’ industry readiness by providing them with practical exposure through live interviews and group discussions conducted by the experienced corporate managers. On 13<sup>th</sup> December, 2024 Mr. Samir Paul, Senior Manager, Vialto Partners Kolkata, Alumnus, FMS, BCREC MBA class of 2009 – 11 was invited to groom the students of MBA 3<sup>rd</sup> semester for their placement interviews. Mr. Paul engaged the students in Group Discussion sessions based on contemporary business issues and had a face-to-face round of interactions with them to judge their level of intellect, their presence of mind including their body language and gave them some expert advice.

On 16<sup>th</sup> December 2024 two more alumnus from FMS department, Mr. Arindam Goswami, Regional Sales Manager, Meril Endo Surgery Pvt. Ltd. Kolkata, MBA Batch 2005 – 07 and Mr. Mrinmoy Mishra, Senior Manager (HOD – P & A), Birla Corporation Limited, Durgapur, MBA Batch 2009 – 11 were invited to further train our students on their technical and relationship skills. Both the experts conducted GD and PI sessions to groom the students on their communication skills and update them on the key success factors to crack a placement opportunity.

At the end of their training session all the three experts gave their respective feedback on the aptitude levels of our students and the future course of action. This initiative of FMS aimed to bridge the gap between academic learning and industry expectations by improving students’ communication skills, critical thinking, and professional demeanor, thereby preparing them for successful careers in the corporate world. The students found the sessions on both the days extremely insightful and they got a taste of what to expect in actual interviews.
