Signature of the IQAC Coordinator with Date and Stamp:

Sanjany Seugnig 19/09/2025

Any Comments by External Auditor

As per the Academic Audit Report, the following areas may be considered for improvement:

- Improvement in faculty cadre ratio is required to meet academic standards.
- More emphasis should be given to structured training programs to enhance students' technical skills, employability, and overall preparedness.
- To strengthen research, innovation, and collaborative research, new research facilities should be created.
