Entrepreneurship Award- 2017

ताता सामाजिक विज्ञान संस्थान
Tata Institute of Social Sciences

July 26, 2017

Dear sir/madam,

Subject : National Entrepreneurship Award - 2017

Greetings from Tata Institute of Social Sciences (TISS), Mumbai.

The Ministry of Skill Development and Entrepreneurship, Government of India has instituted National Entrepreneurship Award (in 2016). We, the Tata Institute of Social Sciences, Mumbai, are the Lead Partner for the 2017 Award, working with six other reputed partner institutes (IITD, IITM, IITB, IITK, IIMA and XLRI) to implement the Award process. The Award will not only recognise young entrepreneurs (17 Awards in different categories), individuals and institutions (6 Awards) contributing to eco-system building but also aims to serve the purpose is to create an encouraging environment for entrepreneurship in India.

To disseminate this information we propose to organise Road Shows at reputed institutions and organisations at various places. In this regard, I along with my colleagues wish to visit your institute and host a Road Show event (for about 90 minutes) on August 03, 2017 - Thursday. In specific we intend to meet the various stakeholders of entrepreneurship - entrepreneurs, incubators, industry associations, other professional bodies of entrepreneurship support organisations, investor groups, mentors, educational institutions teaching entrepreneurship, NGOs associated in this space, banks, financial institutions, government officials and rural organisations working on entrepreneurship related aspects and other support groups working in the Durgapur - Asansol Region of West Bengal.

The Award Application Portal www.neas.gov.in will open soon and would remain open for 45 days.

We will be thankful if your institute provides the necessary logistics support and network.

Thanking you,

Satyajit Majumdar,
Professor and Chairperson,
Centre for Social Entrepreneurship,
School of Management and Labour Studies

SWAYAM NPTEL Local Chapter

MOOCs and MAR Activities

MOOCs (Massive Open Online Courses) creates the opportunity for the students to enrich their knowledge in diversified teaching and learning environment. With this new paradigm, anyone, anywhere, anytime can study without any charge. Another advantage of MOOCs is that most professors come from elite campuses like IISc, IIT's.

The MOOCs has two parts one is theoretical another is practical subjects. The majority of the theoretical subject covers by SWAYAM-NPTEL (National Programme on Technology Enhanced Learning) coordinating institute is IIT-Madras, and Practical and Lab will be covered by Spoken Tutorial Project- A unique initiative by IIT Bombay.

It is our achievements that both the program runs from 2016 and Dr. B C Roy Engineering College, Durgapur is a Nodal Centre for IIT -Bombay and the Active Local Chapter of SWAYAM-NPTEL (National Programme on Technology Enhanced Learning)-for IIT Kharagpur.

We are very glad to say this that our college again proves his potential by secure his position within top 100 this semester.

The Spoken tutorial project runs by IIT-Bombay. As per MAKAUT directive, Dr. B C Roy College also operates as Eastern Region-Nodal center. As a Nodal Centre, we are the Nodal office to guide the cluster college and the various institutes who will be assigned under you by MAKAUT. With this two different MOOCs program, Dr. B C Roy Engineering College trained and make the student industry capable. Still now near about 5000 students and 3000 students have been already trained and certified by Spoken Tutorial and the NPTEL program respectively. NPTEL Mentors Prof. Ritu Rani De (AEIE) and Prof. Poulomi Mukherjee (CSE) receive their mentoring certificates from our Director on 19th September, 2018.
