Dear Colleagues,

A departmental meeting will be held today (12-09-2022) from 4:00 pm onwards at SF-02. The agenda of the meeting is as follows:

1. Finalizing CA-3 schedule.
2. Add-on course on Emerging Technologies offered by the department and its evaluation criteria.
3. Schedule of webinars and other departmental activities.
4. Departmental work breakdown structure.
5. Action Taken report based on the student feedback.
6. Modifying the wrong/missing COs in the university syllabus.
7. Progress of B Tech Projects (Standing agenda).
8. Continuous maintenance of documentation for accreditation and other purposes (Standing agenda).
9. Identifying the deficiencies in Graduate Attributes, weak and strong students and corresponding remedial actions (Standing agenda).
10. Any other academic issues.

All concerned are requested to attend the meeting.

--

Action Taken Report
Academic Year 2021-2022

A DAC/PAQIC meeting took place on 12-09-2022 at 4:00 pm at SF-02 to finalize and discuss the Action Taken Report based on the feedback on academics, feedback on facilities and course end feedback taken for the Academic Year 2021-22. The feedback was submitted on the college website online by 176 students of the department

Based on the aforesaid feedback of the students of the department and considering related aspects for the overall benefit of the students, the following actions were taken:

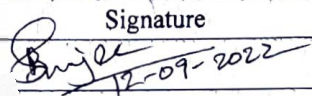

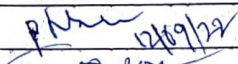

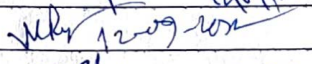

1. **BTech Project** is now introduced from the *third semester* for direct Graduate Attributes Attainment. The topics of the projects need to have both *research* and *startup* components, and should be in *emerging* technologies. Students are hand-held through writing short reviews and research *papers* and brief start-up proposals. Students are also guided to incorporate standard methods of *innovative/creative*, *critical* and *problem-solving* thinking during their projects. 1st-year students have undergone an overview level exposure to emerging technologies, learning how to learn, think and solve problems.
2. All mentors have emphasized to students every semester that Mandatory Additional Activities should be properly done by them without compromising the benefits of those activities esp **physical sports and cultural activities**.
3. **Add-on online certificate course** on emerging technologies has been proposed, with a module on learning how to learn, think and solve problems.
4. Activity coordinators of the department have organized one **webinar / per month** on placement-related topics to enhance the placement aptitude of the students.
5. One Ethical Hacking **workshop** has been organized by the students of the department.
