

Dr. B.C.Roy Engineering College, Durgapur

Dedicated to 'Quality Education'

Affiliated to MAKAUT | Approved by AICTE | NBA Accredited* | NAAC | NIRF Ranked

PROGRAM END SURVEY – ENGINEERING

(ACADEMIC YEAR : 2021-22)

EXIT SURVEY (B.TECH) - Entry #340

Name
Krishnendu Gope
University Roll No.
12000118086
Email
ananta.4025@gmail.com
Department
CSE
Academic Year
2021-22
Have you developed the ability to apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialisation for the solution of complex engineering problems?
Strongly Agree
Are you able to identify, formulate, research literature, and analyse complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences?
Strongly Agree
Did you attain the ability of designing solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for public health and safety, and cultural, societal, and environmental considerations?
Strongly Agree
Are you able to apply research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions?
Strongly Agree
Have you developed the ability to create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations?
Strongly Agree
Can you apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal, and cultural issues and the consequent responsibilities relevant to the professional engineering practice?
Strongly Agree
Are you able to understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and the need for sustainable development?
Strongly Agree
Do you apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice?
Strongly Agree

PROGRAM END SURVEY – ENGINEERING

(ACADEMIC YEAR : 2021-22)

Are you able to function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings?

Strongly Agree

Can you communicate effectively on complex engineering activities with the engineering community and with the society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions?

Strongly Agree

Are you able to Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's work, as a member and leader in a team, to manage projects and in multidisciplinary environments?

Strongly Agree

Will you be able to recognise the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change?

Strongly Agree
