Minutes of Meeting

Ref. CSD/DAC/.....3..

Date: 25/07/2023.

A DAC meeting was held on July 24, 2023 at 11 AM in the HOD room to examine and review the action taken report based on the input from the students for the academic year 2022–2023 regarding the academics and the facilities. 95 first-year and second year CSD students in total have provided input, and the following observations are made:

Action taken report based upon the feedback on the Academics for AY 2022-23

The response on obtaining new technical or scientific knowledge demonstrates highly positive flexibility, as does the capacity to apply the knowledge and skills learned in real-life problem solving in their field of study. Students praised the teaching-learning method, the atmosphere, and the classroom sessions. The students agreed that the contents are relevant to present industrial needs, that the laboratory tools are acceptable, and that the experiments/practical sessions are beneficial and futuristic. They also appreciated that the mentoring and the counseling process in the department are highly beneficial for them. Most of the students have improved their communication skills. Few students don't feel satisfied with the learning environment. Remedial measures are being taken for improving the learning experiences of these students.

1. The students of the department formed a technical club under the name "DEZINOVA" to undertake various technical and professional activities other than regular classroom activities. Under this umbrella, students organize seminars, workshops, coding, essay-writing, debate, discussion etc. on a regular basis to enhance their professional skills.
2. Students are motivated to organize seminars/workshops/Tech-quizzes on emerging technologies and to engage in project works in their field of interest during the early days of their professional course for imparting leadership and teamwork in them.
3. Students are encouraged to enhance their professional skills through participation in NPTEL/MOOCs courses, Hackathons etc.
4. Students are motivated to prepare for GATE/ CAT / Placement through participation in Counseling, Expert Talks, Coding contest, Placement training, Industry Interaction etc.
5. Students are engaged in NCC, NSS, Sports, Yoga, Karate etc for imparting value education and their all-round development.

Action taken report based upon the feedback on the Facilities for AY 2022-23

Mostly students are satisfied with the facilities available in the institute namely - Classrooms, Laboratories, Hostel, Sports, Library, Canteen, Water and internet. Few students (around 15%) are not happy with the facilities.

Appropriate authorities discussed these issues with the students, and the issues are being addressed in order to find a workable solution.

CSD DAC Members for AY 2022-2023:

S.No	Name	Designation	Signature	HOD
1	Dr. Raj Kumar Samanta, HOD	Chairman		Computer Sc. & Desig Dr. B. C. Roy Engineering Durgapur - 713206
2	Mr. Swadhin Kr. Mondal, Asst. Prof.	Member		
3	Mr. NasimAnjumHoque, Asst. Prof.	Member		
4	Mr. PrasenjitMaji, Asst. Prof.	Member		
5	Mr. JotjitPatra, Asst. Prof.	Member		
6	Mr. Sovan Bhattacharya, Asst. Prof.	Member		
7	Mr. SusantaKarmakar, Asst. Prof.	Member
