## Tree Plantation

Trees contribute to their environment by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. Swami Vivekananda once said: 'We make our own environment, and we strike the fetters off'. As a part of NSS activity, BCREC students led by their mentors planted trees in Ashutosh Bhawan Ground and in front of the Chittaranjan Boys hostel with a unified voice of 'Go Green'.
