

International Yoga Day: BCREC Organised Yoga Camp

A sense of spirituality and health awareness pervaded the campus of BCREC on the 21st of June as we celebrated International Yoga Day.

Conducted by Sri Tarun Mukherjee, practitioner of the Patanjali Yoga School and complimented wondrously by his disciple GourabMondal, the 1-day interactive workshop was an experience to remember.

Sri Mukherjee is a regular conductor of Ayush Workshops under the aegis of MHRD. GourabMondol, a student of class IX, demonstrated each of the asanas. He is a District Champion of this art. A large number of students participated as well as numerous faculty and staff. The day's events were inaugurated by the Director of the Institution who felicitated Sri Mukherjee and thanked him for joining us. In addition to the yoga routine practised by the attendees, specific health issues and their treatment by yoga were discussed. Sri Mukherjee addressed multiple concerns that could be cured through the disciplined practice of this ancient Indian traditional art.

The program ended with a Vote of thanks and refreshments for all concerned.
