

BCREC Organized Organ Donation Pledge in Collaboration with Mohan Foundation, Kolkata

Inauguration of the programme by lighting lamp

Deliberation by the CEO of the Anthyesti foundation

In order to promulgate social awareness, on 19th January, 2019 Anthyesti foundation, Kolkata in collaboration with Mohan foundation conducted an awareness session on organ donation pledge for the faculties and students of BCREC as an NSS activity. The Applied Electronics and Instrumentation Engineering Department of the college took the lead to conduct such an important event in the campus of BCREC. The session took place in Dulal Mitra Auditorium and around 500 students participated on this awareness programme.

Shri Tarun Bhattacharya, General Secretary and Shri Ratan Roy Chowdhury, President, Professor Dr. Pijush Pal Roy, Director, Prof. Ruma Mitra, registrar, Dr. Deepak Kumar, Mission hospital, were among the dignitaries who graced the session. Ms. Shruthi Reddy, CEO of the Anthyesti foundation delivered the talk on importance of organ donation in our society. She clarified the legal and ethical concerns, facts about the organ donation and its types. Dr. Deepak Kumar of Mission Hospital who was associated with the first organ donation operation in Durgapur said that people should come forward to register and pledge their organs for donation.

It was deliberated that an estimated 1.8 lakh people suffer from renal failure nationally every year; the number of renal transplants undertaken annually is only about 6,000. It is the same for liver and heart transplants. On an average 2 lakh patients die of liver failure or cancer annually in India, of which only 10 to 15% can be saved with a timely liver transplant, according to NOTTO. While 25,000 to 30,000 liver transplants are needed annually in India, only about 1,500 are performed. All major religions support organ donation and they are actively promoting it.

BCREC fraternity feels incredibly proud to have city's first organ donation pledge drive and committed to move forward to ensure the mission to save lives by increasing opportunities for the people in Durgapur to join the organ, eye and tissue registry.

BCREC Organized Organ Donation Pledge in Collaboration with Mohan Foundation, Kolkata

Inauguration of the programme by lighting lamp

Deliberation by the CEO of the Anthvesti foundation
