

TREE PLANTATION AT BCREC

A wonderful tribute to Nature and a sensitive homage to Mother Earth saw the coming together of the welcoming of the new BCREC students along with the planting of young fresh green saplings of willow Debdaru and pretty Bakul by the BCREC family.

Joining in this wondrous harmony between Nature and human "beginnings" simultaneously were the Chief Guest of honour of the events Dr Subhashis Dutta, Controller of Examinations, MAKAUT, who had come all the way from Burdwan. With him were the other dignitaries of the day, Director BCREC, Registrar, members of BCREC Management as well as members of BCREC academic bodies. All HODs led their new recruits as more than 50 saplings were planted in commemoration of **Nabinbaran 2019**.

Mother Nature blessed the occasion with a light shower of rain.
