

Teaching and Learning Skill Development

Report:-

A Seminar on "**Teaching and Learning Skill Development**" was organized at the premises of Dr. B. C. Roy Engineering College, Durgapur on **22nd August 2019**. The programme was technically co-sponsored by IEEE Student's branch, BCREC and IEI Student's chapter BCREC. **Dr. Subrata Chattopadhyay**, Professor of Electrical Engineering Department of **National Institute of Technical Teachers Training and Research (NITTTR), Kolkata** was the honorable speaker on this topic.

Dr. Pijush. Pal Roy, Director, Dr. B. C. Roy Engineering College, gave an introduction speech.

On this occasion **Dr. Subrata Chattopadhyay** talked about the need of professional and modern development skills, which teachers should possess along with knowledge of the subject matter to become experts in respective domain. The speaker further mentioned that in modern digital era, teachers should be flexible and able to adapt new technologies, which can improve the teaching-learning process. He also emphasised on Computer Aided Instruction (CAI) which is an interactive audio visual module to make the lessons lucid and effective for the students. He also told that teachers should cultivate critical thinking and creative analysis among the students so that they can develop innovative ideas in future.

Personalities who were involved for organizing and smooth functioning of the seminar are Dr. Sarit Pal, Professor ECE and Convenor of the Seminar, Dr. Chandan Koner, HoD CSE, Chairman of IEEE student branch BCREC and Convenor IE(I) Student Chapter BCREC, Dr. Rajib Banerjee, Assistant Professor ECE, Counsellor of IEEE student branch BCREC and Adviser IE(I), Student Chapter EC division BCREC. The seminar was attended by distinguished faculty members from different departments of the college.
