# WEBINAR

on

**CIVIL ENGINEERING PROJECT MANAGEMENT**

## RESOURCE PERSON

**Mr. Subramanya GM**

General Manager - Project Management  
Adani Infra India Limited, Ahmedabad

A PMP professional, having 20 years of experience in Infrastructure sector. Associated with prestigious projects including Delhi Metro, National Games Stadium, Power Plants and international metal processing plants.

\*Seats limited

\*Only 50 students to register first will be allowed to participate

\*Instructions to join will be sent out 1 day prior

12th June (Friday)  
3: 00 PM Onwards  
Through Zoom Meeting

Register : <https://forms.gle/yRP8u9YkcRY9968R6>

**Webinar on “Civil Engineering Project Management” by  
Mr.Subramanya GM, General Manager, Project  
Management, Adani Infra India Limited**

As part of the institute industry interaction Mr.Subramanya GM, General Manager, Project Management, Adani Infra India Limited, Ahmedamdad a PMP certified professional having 20 years of experience in the Infrastructure sector delivered a presentation on “Civil Engineering Project Management” to a group of 50 students of Civil Engineering Department. The speech was well structured where Mr.Subramanya explained these set of coordinated activities undertaken to meet specified objectives for managing a project, importance of project management, problems that are generally faced during the execution of the project, risk management and importance of quality assurance in project management. He emphasised on the point that whenever the students will be moving to industry they will have to manage small or big projects. Therefore, the students at the undergraduate level must upgrade their knowledge and skill sets on project management by trying to do some feasibility study and planning a small project e.g. construction of a multi-storeyed building using Microsoft project. After the undergraduate level students can go for PMP certification as well as can try for higher studies in Project Management and Construction Management from eminent institutes like IITs and NICMAR. Various certification courses on Project Management are also run by various institutes as well as various companies like Adani Group. Students should have some idea about PMBOK. Students could make a career goal in project management and they should be proud of being civil engineer. After the speech, Prof. (Dr.) Pijush Pal Roy, Director, Dr. B.C. Roy Engineering College, Durgapur also shared his thoughts and his vast experience of around 35 years in the mining industry on project management. Students thoroughly enjoyed the session and interacted with the presenter with a few questions at the end. Dr. Sanjay Sengupta, HoD, Department of Civil Engineering, concluded the program with vote of thanks.
