

## Webinar for Students

by

Department of Mechanical Engineering

Dr. B.C. Roy Engineering College

Durgapur

### *Interview Preparation & Soft Skills for Budding Engineers*

*Resource Person*

*Mr. Gopi Krishna Penjiara*

Manager Procurement

Dept. of Atomic Energy

ECIL Unit

17<sup>th</sup> May 2020, 3:00 pm - 4:30 pm [IST]

For Registration: <https://forms.gle/FhxzTuKGaNveBeSM9>

(Only 60 students will be able to participate in **First Come First Serve** basis)

Registration link will be opened on 16.05.2020

Webinar for Students  
Organised by  
Department of Mechanical Engineering,  
Dr. B.C. Roy Engineering College, Durgapur  
on  
Interview Preparation & Soft Skills for Budding  
Engineers  
Resource Person  
Mr. Gopi Krishna Penjiara  
Manager Procurement  
Dept. of Atomic Energy, ECIL Unit  
17th May 2020, 3:00 pm - 4:30 pm [IST ]

The Webinar was organised on 17th May, 2020, from 3 pm to 4:30 pm in Zoom online application. There was about 94 registrants in which about 91 were students. In the beginning, Prof. Dr. Chandan Chatteraj introduced the resource person to the participants. The webinar was being coordinated by Prof. Dr. Arijit Banerjee. The speaker is a first batch (2003-2007) graduate of Dr. B C Roy Engineering College, Durgapur. Initial communication and persuasion for talk was done by the Head of the Department, Prof. Dr. Kanchan Chatterjee, from his personal contact. After graduating in 2007 he was placed in Accenture through campus drive. He has thirteen years of experience including five years in Biecco Lawrie Limited Kolkata, seven years in L&T posted at Rourkela, and finally since 2018 for DAE –ECIL, handling Import Portfolio at Hyderabad. In the meanwhile he has completed MBA in Operations Management from IGNOU and Graduate & Post Graduate Diploma in Materials management from Indian Institute of Materials Management.

The discussion was divided in three sections. In the first section the speaker asked the participants to introduce themselves individually one by one and wanted to them to tell about the type of jobs they are interested in. That point sounded very good as that will pose a clear picture before the students about what they should actually do for their specific preparations. Many students replied that they are interested in steel industries. Some others are interested in government jobs, whereas few want to see themselves in car or automobile industries. In the next section the speaker explained the interview norms; what they must follow, how should they prepare, what they should never do etc. That section also must have left a very good impression on the students. Along with having a huge experience in the industry for last thirteen years he has a good academic record also. That made students listened spell bound. Every minute details of the interview etiquettes were taken for discussions. His two more batch-mates joined the webinar, both of whom are in industry. In the third section the speaker organised one interview for demonstration. The interview was between his two batch-mates one of whom was acting as the interviewer from Infosys and another as the interviewee. There the students got to know, even if not being an IT or CSE graduate, how one can face and handle the questions in an IT job. With this mock interview, it was explained to be confident in any interview, be it in the core area or not. After the third section some doubts were resolved. Moreover, on request from the coordinator, the speaker and his friends explained that the students should not ignore any interview even if it may seem very low. The students were tried to be convinced about not being reluctant in the campus recruitment procedure. They appreciated the campus recruitment in BCREC. Finally the webinar ended with a vote of thanks by the coordinator.
