

Report on:

## **Tree Plantation**

Held on: 05<sup>th</sup> June 2017

Venue: Dr. B. C. Roy Engineering College

Organized by: NSS wing, BCREC

Trees contribute to their environment by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. Swami Vivekananda once said: "We make our own environment, and we strike the fetters off". As a part of NSS activity, BCREC students led by their mentors planted trees in Ashutosh Bhawan Ground and in front on the Chittaranjan Boys hostel with a unified voice of 'Go Green' to celebrate the Environment Day (05<sup>th</sup> June 2017)

## Tree Plantation

"The true meaning of life is to plant trees, under whose shade you do not expect to sit". In BCREC like every year this year also take initiatives to plant trees in the campus. BCREC NSS team with BCREC faculty and staff members celebrated the Environment day by planting of trees.
